HARIT

The Dancing Poet

The Green Man with a Big Heart

JOY 5

Host of The Springs of Our Heart

HIS STORY

Harit carries the songs of the Valley and the dances of joy. Young in years and old in wisdom, he keeps stories, promises, and the poetry of lonely hearts.

He hosts The Springs of Our Heart, between the glow of Our Shared Human Heart and the personally transforming Edifice of DiverSiGence. Here, playful fountains and unexpected jets of water invite us to pause, connect, and join the dance.

Harit taught Uncle Humph how to properly dance at weddings. With patience, poetry, and a welcoming step, he helps others find their place in the celebration, too.

HIS GIFT

Turning a lonely moment into a shared dance.

HIS SUPERPOWER

Helping hesitant hearts take a joyful first step.

HIS WISDOM

"Loneliness is the problem. Connection is the dance."

HIS MISSION

To welcome every heart into the Valley's songs, stories, and dances of joy.
