EARL THE PEARL

— Elwin Earl Dewitt —

Sports, Stories & Ingenuity

Meet me at The SPORTS Spot!

HIS STORY

Earl is known as Mutt. Poopsey to his daughters. And he makes room for good company, good games, and a better, brighter way to get things done.

Earl writes *Tales of A. Counter Brush*, through which he shares his adventures and memories with his grandchildren. These tales continue to inspire Uncle Humph's writing and Spot-making.

Earl is a zeitgeist-conscious dresser Hetu is always happy to outfit. He loves bowling, golf, lawn darts, horseshoes, and a welcoming grillout. And he works hard to turn curiosity into useful contraptions.

Earl's heart condition kept him from military service when he was young, but not from serving his neighbors through Civil Defense in Greenwich, Ohio, USA.

Earl brings integrity, ingenuity, thrift, and persistence to his many jobs, including those requiring executive responsibilities.

HIS GIFT

Earl turns ingenuity into useful kindness.

HIS SUPERPOWER

Earl finds another way — and tries it.

HIS WISDOM

"A kind word, a knowing wink, and room for one more."

HIS MISSION

Earl brings neighbors together through sports, tailgating, stories, and service.
