

★ Look What God Made

God made the world, He made it right.
He spoke the word, and there was light.
The sun by day, the moon by night,
And God said, "It is good."

God spoke, "Now let the land be dry."
He made the sea and made the sky,
Made fish and whales, and birds that fly.
And God said, "It is good."

God made the crickets, made the frogs,
He made the cats, He made the dogs.
He made the cattle, made the hogs.
And God said, "It is good!"

Then God said, "Let us make a man,
And finish our creation's plan."
And human life on earth began.
And God said, "It is good."

God placed this world in Adam's hand.
To rule it just as He had planned,
This planet Earth, that we call land.
And God said, "It is good."
