

Touching Jesus

A woman in Israel, sick many years.
Her money was gone, and her eyes filled with tears.
No doctor could help her. There was no hope.
It seemed she was reaching the end of the rope,
'Til one day she heard about Jesus.

She heard about lepers who had become clean.
Of deaf who had heard, and of blind who had seen.
She heard He was stronger than demons in hell,
And said, "If I find Him, I too can get well!"
And she began looking for Jesus.

One day she found Him. She pressed to get near,
This man who spoke faith. She wanted to hear.
She said in her spirit, and saw in her soul,
"If I can just touch Him, I know I'll be whole!"
She reached out in faith to touch Jesus.

God saw her faith, and His power went through
Her diseased body. The Son of God knew
That something had happened. He wondered out loud,
"Who touched me?" He noticed her face in the crowd.
And she replied, "Yes, I touched Jesus."

The Bible says Jesus is always the same.
He'll answer our prayer, when we pray in His name.
Whatever we need, God says He will supply.
We know it is true because God cannot lie.
So reach out in faith to touch Jesus.
