# Trouble In Paradise

God is good, but Satan's bad!
Watching Adam made him mad.
Satan had an evil plan,
How to get control of man.
In disguise, he came to Eve,
Hoping that she would believe.

God had told them they were free,
To eat the fruit of every tree.
Only one, they must not try.
Eating, they would surely die.
Satan said, "Take just one bite.
You will see that I am right."

Satan, full of hate and lies,
Said, "God does not want you wise."
Speaking through that serpent's voice,
He tempted Eve to make her choice.
"Eat this fruit and you will be,
Just as wise as God!", said he.

Eve believed him in her head.
Ate the fruit, as Satan said.
Adam knew what he should do,
But he chose to eat it too.
Adam gasped! He was afraid.
God would see the choice he'd made.

God said, "I pronounce a curse.
Things will go from bad to worse.
Living under Satan's rule,
You will find, you've been a fool!"
God then made a coat of skin,
As a covering for their sin.
