

NightSquid Studios: Illustration & Design Highlights

About Me

I'm a digital artist, illustrator, and fine artist with over 15 years of experience running NightSquid Studios. I specialize in technical illustration, graphic art, logo design, and fine art painting, with a focus on the arboriculture and safety industries.

Major Duties & Services

- Technical illustrations for manuals, training materials, and web platforms
 - Fine art, digital paintings, and surreal nature-inspired artwork
 - Logo design and apparel art for tree care companies
 - Graphic art for conferences, expos, and promotional content
 - Custom safety diagrams and educational visuals
-

Selected Projects

International Society of Arboriculture (ISA)

- *Annex ANSI Z133 Safety Standards*
- *Best Management Practices: Tree Risk Assessment Handbook*
- *Tree Risk Assessment Qualification (TRAQ) Manual*

RAKSafe

- Webpage illustrations for enhanced visual storytelling
- Custom safety diagrams for ropes, harnesses, and equipment use

Tree Care Industry Association (TCIA)

- *2021 Women In Tree Care* Conference graphic art
- Featured portrait of arborist **Kirsten Locke**

Tree Care Company Clients

- Logo design and apparel artwork for small tree care businesses

Let's Work Together

Custom illustration, fine art commissions, or brand design for your business — let's build something bold, clear, and memorable.
