**Inner work.  
Outer impact.  
Real leadership.**

## SPEAKING TOPICS

### THE MIRROR OF TRUTH

How people reflect what's within. Discover how your outer world mirrors your internal state—and how to shift both through deep awareness and authentic leadership.

### SPEAK LIKE FIRE

Reclaim your voice in a noisy world. Empower your message and presence through voice, story, and conscious communication. Learn how to speak so people listen—and feel.

### FROM PANIC TO POWER

How crisis becomes a spiritual awakening. Transform breakdowns into breakthroughs. Edy shares his journey through panic and identity loss to peace, purpose, and leadership.

"We are but the reciprocating effects of our past, soon to sprout the best version of ourselves."

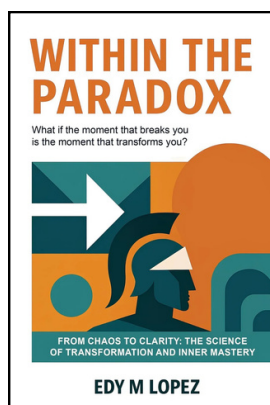

— Edy Lopez

## Bio

Edy Lopez is a transformational speaker, leadership mentor, U.S. Army veteran, and founder of EdyTalks LLC. With a voice forged in the fire of personal crisis and a presence sharpened by years of military leadership, Edy speaks to one truth: real transformation starts from within and radiates outward—into our families, our teams, and our legacies.

After experiencing a six-month panic attack that shattered his identity and sparked a profound awakening, Edy dedicated his life to guiding others through their own thresholds of change. He teaches individuals and organizations how to lead through presence, speak with power, and embody the example they wish to see in the world.

Whether in boardrooms or classrooms, Edy empowers people to master their inner world so they can transform their outer one. His work bridges personal growth and professional excellence—helping leaders build teams that thrive, families that heal, and lives that inspire.
