The 19th Annual “Light Up Goshen” Parade

Saturday, November 18, 2023

5:00 PM

Come join in the fun of this great Goshen Township event sponsored by the **Goshen Chamber of Commerce**. This year's parade boasts to be bigger and better than the past as we celebrate, honor, and thank the many organizations and individuals that gave resources and time to aid in tornado recovery efforts. The evening includes...many local fire dept. truck participants, antique farm tractor judging, marching bands, floats, candy, a live Nativity Scene, **free food and drink** and barrel train rides for kids. We will also have old fashioned Christmas Caroling, a picture opportunity with Santa at the Cook Log Cabin, and the Lighting of the Christmas Tree. It is wholesome family fun!
