

GOD'S GUIDANCE

Prayer has always been a foundation of our nation. With one voice and mind, our forefathers united in prayer for God's guidance, protection and strength. Our founding fathers also called for prayer during the Constitutional Convention. In their eyes, our recently created nation and freedoms were a direct gift from God. Being a gift from God, there was only one way to insure protection-through prayer.

For Christians, prayer is "communion with God." Through prayer we experience relationship with God. The quality of our prayer life then determines the quality of our relationship with God. Prayer is talking with God. Prayer is listening to God. Prayer is enjoying the presence of God.

It is our goal that you, your family and friends would participate in the National Day of Prayer. We pray that the event impacts your life, and that praying for our nation moves from a one-day event to a lifetime endeavor. So join us on the first Thursday in May and pray with conviction that God would continue to shed His grace on thee.

Texans and all Americans have a unique opportunity to unite in heart and mind as we stand in prayer for the well being of our state and nation and all we hold dear. Please take time to join millions of individuals who will kneel before God's throne to intercede for this great land and its citizens not only on the first Thursday of May, but as a daily discipline throughout the year.
