PRE AMBLE

[IT IS] the [TIME] in the Course of Humanity's Existence, where events have/are/will occur in which it becomes necessary for them to dissolve the systems of Government as they no longer are of service to them; These systems, which were created to serve, but instead, enslave.

[IT IS] [TIME] to align with Divine Nature's Algorithm (DNA) under [GOD], Genetic Original Design, for infinity, and with all Aethority and Authority from the Creator, and separate from the current establishments.

The causes which impel the distinct Separation from the Corporation of the United States of America, the Corporation of District of Columbia, and the State of South Carolina, are endless, but most egregious are the following:

APPENDIX A : 144,000 THOUSAND SACRED ACRES
APPENDIX B: SURVEY OF HEADQUARTERS

1. Military Industrial Complex and war for profit.
2. Pedophelia and child harm among American leaders on both sides of the isle.
3. The federal reserve is unconstitutional, not created nor monitored by congress and has defrauded the American people since 1913. IT is neither federal or a reserve. It is a global private 'banking' cartel.
4. The unlawful Licensing of Natural Rights, which include but are not limited to, traveling, teaching, medicine, and law.
5. Biological and psychological warfare including but not limited to Covid 19 and other problem reaction solution scenarios for corporate profit, through fear mongering.
6. Illegitimate and rigged elections.
7. The deprivation of rights to its citizens including but not limited to speech and religion.
8. Inadequate and unsatisfactory public educational systems.
9. Judicial Courts of Piracy.
10. Lack of Transparency, and proper checks and balances
11. Lack of separation between Branches
12. Private structure of CIA, FBI, NSA.

We hold these Truths to be self-evident, that all Living Beings are created equal, that they are endowed by their Creator GOD with certain Unalienable Universal Rights (UUR), that among these but are not limited to Truth, Freedom, Justice; and the Pursuit of Life. To secure these Rights, Governments derive their Powers from the express written and verbal consent of the Governed.

When any form of government displays a long Train of Abuses and Usurpations, evinces a Design to reduce them under absolute Despotism and Tyranny, and becomes destructive of these ends, it is the Right of the Collective to throw off such Government, and to provide new Guards for their future existence, as a species. It is their duty to alter or to abolish it, and to institute a new Government, laying its foundation on such principles, and organizing its powers in such form, to secure their Safety and Peace; body, mind and spirit.

WE, THE NATION OF AMERKABA, THEREFORE, Declare and Proclaim with all Authority and Aethority of Heaven and Earth the following:

I. The 144000 acres of Indigenous Sacred Catawba Nation Land has been and shall forever be, sacred holy land where every Nation, tribe and tongue is welcome.
