

The health and safety of our staff, volunteers and guests are of top priority at Grey Eagle Bingo. We've been working diligently to get our doors ready for our reopening to ensure that our Bingo Hall is a safe environment. This has been achieved with thorough cleaning and sanitization practices.

- Grey Eagle Bingo will continue to follow the AHS Guidelines for Sanitizing and cleaning procedures.
- **Social/Physical Distancing Practices:**
 - 1 Player per table/available tables have been clearly marked
 - Limited staff and volunteers on the floor
- Multiple Hand Sanitizing Stations set up through out the hall
- Plexiglass has been installed
