

WHO WE ARE?

Kearns Consultancy applies Business Psychology principles to deliver organisational change, leadership development and high performing team training in the UK, Ireland and Germany. We believe that great leadership is about skills not pre-existing ability and that we can all become better leaders. Founding Director, Fiona Kearns is a Certified Business Psychologist specialising in working with women leaders for more impact.

HOW WE CAN HELP?

-  **CEO and Boards:** Build Capability to be Investment Ready
-  **Team Performance Building:** leadership & communication
-  **Keynote Speaker:** Book Fiona to speak at your event
