

## Services Offered & Rates

(As of 1/1/2026)

### Technical Design Services

All estimates provided are based on the scale of the project, and the amount of details and information provided. Upon completion of each project, you will be provided with the following:

- 3D CAD Files (.dwg or .3dm format, or others available through AutoCAD and Rhino 8)
- 11x17 Digital Prints (.pdf)
- 2D CNC Router Layout files (either .dwg or .dxf, or other formats available through AutoCAD and Rhino 8)

*(Note: All services are billed at end of project design phase, in hourly increments)*

<b>Design Consultation, Site Surveys, Small 2D/3D CAD Design Projects</b>	<b>\$75/Hour</b>
<i>Projects estimated under 40 hours for completion (ex. 10' x 10' booth)</i>	
<b>Medium to Large 2D/3D CAD Design Projects</b>	<b>\$65/Hour</b>
<i>Projects estimated over 40 hours for completion (ex. 20' x 30' booth, multiple custom builds) Invoices will reflect a \$10 discount per hour charged</i>	
<b>CAD Design – Expedite Fee</b>	<b>Additional \$25/Hour</b>
<i>If your project needs a faster than normal return time, and may need to be prioritized (ex. cut in line), we may be able to expedite your project for an additional fee, pending other clients' approval</i>
