

Our holiday party had it all:

Festive cheer, unexpected plot twists, and a room full of “detectives” who may want to stick to project management over criminal investigations.

All jokes aside, nights like this remind us how lucky we are to work alongside such a talented — and fun — group of people.

A team that shows up for each other, works hard, and knows how to enjoy time together. Culture isn't accidental — it's built, just like everything else we do.
