TI Cup Chinese Speech Contest

We encourage our students to participate in the North Texas Chinese Culture Promotion Association (NTCCPA) 13th North Texas TI Cup Chinese Speech Contest which will be held at UTD on March 29. Several of our students have placed 1st, 2nd, or 3rd in previous years. We look forward to having more of our students on the winners' list this year!

For complete details, see [their website](#).

To register, please contact the office for payment and registration form.

PARENT-TEACHER CONFERENCES

As part of the Texas Rising Star quality rating and improvement system, we strive to score the highest possible score in each assessment measure. Having a minimum of two parent-teacher conferences per year gives us the highest possible score.

We're excited to meet with you and work together to support your child's educational journey!

2024 Tuition Receipt/ Tax Statement

- Tuition receipts / tax statements may be accessed via ChildPilot app.
- Go to Billing, click Tax Statement, and select the year.
- If you have trouble accessing your tax statement, please email us.

SPRING BREAK (MAR 17-21)

We are open regular hours during the school district's Spring Break.

Elementary-aged students who need care this week should sign up via email, letting us know what dates they will drop-in.

Drop-in rate is \$55 per day (or \$235/week) with \$10 per day for lunch.

Colgate Dental Van

To enhance this month's theme of Our Bodies, Nutrition, and Safety, the Colgate Bright Smiles, Bright Futures® (BSBF) mobile van unit (MVU) will visit our school on March 19th! During this visit, the BSBF team will provide free dental health and well-being education, conduct visual dental screenings, and teach your child how to take care of their bright smile. Your child will be screened by an oral health professional and will receive a new toothbrush, toothpaste sample, brushing chart, and list of offices for dental care if needed. This visual dental screening does not replace a regular dental check-up and visit.

The MVU maintains important safety procedures which include:

The BSBF team wear proper protective gear, including mask, gloves, gown, face shield and/or goggles.

The mobile unit is wiped down with disinfectant between students and cleaned completely with disinfectant at night.

In order for your child to participate and visit the Colgate mobile van unit, please complete the electronic [consent form online](#).

Referral bonus

Refer a new full time student and receive \$100 tuition credit.

Refer a new part time student and receive \$50 tuition credit.

This month's special for new families: Half off registration and 5th week free tuition!
