

JULY 2026

NEWSLETTER

Learning to speak, therefore, and the power it brings of intelligent converse with others, is a most impressive further step along the path of independence ... Learning to walk is especially significant, not only because it is supremely complex, but because it is done in the first year of life. -Maria Montessori, *The Absorbent Mind*

ALLERGY ALERT

Do not send foods with nuts or nut butters to school. We have students who are severely allergic to nuts. Sunbutter is acceptable.

If your child is graduating or will withdraw for other reasons, please give notice by email or via Childpilot before your last tuition payment so that your deposit can be applied towards the last tuition payment.

4th of July Celebration

We had our Independence Parade on July 2nd. We wore our red, white, and blue! Happy 250th Independence Day!

SPRINKLER PLAY FRIDAYS

If your child would like to participate in sprinkler play:

- Apply sunscreen before coming to school
- Wear your swimsuit under your school clothing. Wear your water shoes to school. (Label all clothing items. Big kids, don't forget to bring underwear to change into afterwards.)
- Toddlers should wear regular diapers and not swim diapers.

Please bring the following items, all labeled with your child's name: dry shoes to change into afterward, towel, waterproof bag to store wet items

PICTURES

Childpilot Pictures

We know you love getting picture updates of your child. As your child moves to primary and older classes, you will get fewer pictures. Our teachers' main focus is on teaching. Photos will be uploaded at nap time.

After School Program (K-5)

We are now enrolling and planning bus routes for Fall After School Program.

Contact the office to enroll so that we can schedule your child's school on our route!

First day of school for Allen ISD is August 13.
