AFTER SCHOOLERS

If you will not need pick-up, please notify the office by 2pm either by email, phone call, or Childpilot message. (Do not leave voicemail.) A no-show fee of \$5 will be charged if you do not notify us of your child's absence.

The Mid-Autumn Festival, also known as the Moon Festival, is one of the most cherished celebrations throughout East and Southeast Asia. Traditionally observed during the harvest season, it is a time for family reunions, gratitude, and reflection beneath the full moon.

Families and communities come together to share mooncakes, light lanterns, enjoy cultural traditions, and celebrate unity and prosperity.

We will celebrate at school with a craft, moon cake making demonstration, and tasting moon cakes on Friday, September 25.

We encourage our families to make a lantern craft at home with your child. Bring it to school by 9/24 to add to the festive atmosphere.

Read Together to Support Early Literacy

Children who have lots of experiences with books absorb the rhythms and patterns of language and, at surprisingly early ages, begin to imitate the language and gestures their parents and caregivers use while sharing stories, sometimes turning pages and murmuring as they “read” the pictures.
