On August 5th, the staff from both schools gathered at Main Event for bowling, lunch, staff meeting, and training. This is one of the two times a year that the school closes for staff development and to prepare for the new semester.

**Hearing and Vision Screening Records**

If your child turns 4 by Sept. 1, the Department of State Health Services requires him / her to have a hearing and vision screening. We are required to have these records in your child's school file. Please submit your child's hearing and vision screening records to the office by 12/31/22. Please let us know if you have any questions.

**Weekend Chinese School**

Weekend Chinese School will start the weekend of 8/13. Classes are for different levels, from ages 3 years to 8th grade. Small group classes are held for one or two hours, depending on the size of the class. Contact us for more information or to enroll. Click [here](#) for class schedule and locations.
