### *The Importance of Nature in Montessori Education*

Nature plays a vital role in Montessori education, offering numerous benefits for children's holistic development. Connecting children with nature enhances their sensory experiences, promotes physical well-being, and nurtures a sense of wonder and curiosity. Encouraging outdoor activities like nature walks, gardening, scavenger hunts, and exploring natural surroundings provides valuable opportunities for hands-on learning. These nature-based experiences align with Montessori principles, fostering a deep connection with the environment and promoting a love for the natural world.

Independence Parade will be on July 3rd, in the morning. Please wear anything and everything red, white, and blue! Let's celebrate Independence Day together!

### DAILY CHECK-IN AND CHECK-OUT

All: It is important to check-in with your Childpilot app by scanning the QR code posted on the front door.

Infant class: when you check in, it will ask you when your child woke up and the time of the last feeding

CCA Families: We must report absences of 5 consecutive days. Make sure you check in each day you are in attendance.

### ALLERGY ALERT

Do not send foods with nuts or nut butters to school. We have students who are severely allergic to nuts. Sun-butter is acceptable.

## SPRINKLER PLAY FRIDAYS

If your child would like to participate in sprinkler play:

- Apply sunscreen before coming to school
- Wear your swimsuit under your school clothing. (Label all clothing items. Big kids, don't forget to bring underwear to change into afterwards.)

Please bring the following items, all labeled with your child's name:

- Swim shoes, Towel, Waterproof bag to store wet items

### FALL SUPPLY FEE

*If you have not yet paid for the Fall supply fee of \$180, it will be invoiced with the July 19th tuition.*

*If your child will not be continuing in the Fall Semester, please notify the office before your last tuition payment to apply your deposit to your last payment.*
