Moon Festival

The festival celebrates three fundamental concepts that are closely connected:

- **Gathering**, such as family and friends coming together, or harvesting crops for the festival. It is said the moon is the brightest and roundest on this day which means family reunion. Consequently, this is the main reason why the festival is thought to be important.
- **Thanksgiving**, to give thanks for the harvest, or for harmonious unions
- **Praying** (asking for conceptual or material satisfaction), such as for babies, a spouse, beauty, longevity, or for a good future

Traditions and myths surrounding the festival are formed around these concepts. Although traditions have changed over time due to changes in technology, science, economy, culture, and religion, it's always been about being together

School Rules / Reminders

Nut-free environment: Lunches or snacks that contain nuts, such as trail mix, peanut butter sandwiches, etc. are not allowed due to several students with nut allergies.

Labeling: Please label your children's backup clothes, water bottle, etc.

Water Bottles: A spill-proof water bottle should be brought to school and taken back home at the end of the day.

Cot Sheets: These should be taken home and laundered every Friday and brought back on Mondays.

Drop-off/ Pick-up: Some COVID-19 rules are relaxing, however, we ask parents to remain outside for drop-off and pick-up unless you need to come inside.

Read Together to Support Early Literacy

Children who have lots of experiences with books absorb the rhythms and patterns of language and, at surprisingly early ages, begin to imitate the language and gestures their parents and caregivers use while sharing stories, sometimes turning pages and murmuring as they "read" the pictures.
