Colgate Dental Van

To enhance this month's theme of Our Bodies, Nutrition, and Safety, the Colgate Bright Smiles, Bright Futures® (BSBF) mobile van unit (MVU) will visit our school on **March 13th!** During this visit, the BSBF team will provide free dental health and well-being education, conduct visual dental screenings, and teach your child how to take care of their bright smile. Your child will be screened by an oral health professional and will receive a new toothbrush, toothpaste sample, brushing chart, and list of offices for dental care if needed. This visual dental screening does not replace a regular dental check-up and visit.

The MVU maintains important safety procedures which include:

The BSBF team wear proper protective gear, including mask, gloves, gown, face shield and/or goggles.
