The Rollos

They are both presentations of doctrine and testimony.

The lay rollos are a synthetic and systematic presentation of Christian living experience in the world. They are not the most important part of the Cursillo, but they are a source for the attainment right, aware, and inspired of the essential (the living experience).

A. Rich Man

B. Judas

C. Peter

Ideal-MAN CAN BECOME MORE AND BETTER

To understand myself as a full human being with all my limitations, potential and progress. To understand that the fullest measure of my worth as a human being is defined by SELF GIVING. To think about the direction of my life and to try and determine my IDEAL.

2nd rollo of day 1-Habitual Grace-CALL OF A CHRISTIAN

To understand that in opening myself to God's Grace, I am opening myself to receive more out of life and out of my experience.

The Layperson in the Church- HE CAN BE IT FROM WHERE HE IS

We the people are the Church, and as such, we all share a MISSION, to bring the gospel to our society and to our world.

4th rollo of day 1-Actual Grace-FREE CHOICE OF MAN TO MEET GOD

God calls us to a living faith, no "ifs", "ands" or "but's".

Piety (HE DISCOVERS HIS HEART SPONTANEOUSLY BY PIETY)

The Lord calls me to live out a personal relationship with Him through the Love of His Son Jesus. True Piety is out of love for God; False Piety is out of Fear of God.

4th Meditation: The Person of Christ-How you should see Christ

The Christ who loves also reconciles.

Study -HE USES HIS INTELLIGENCE WITH CONVICTION

Conversion is not a passing feeling, but a fruit of our mind's search for the Truth. Study is to grasp the truth of the way I OUGHT TO LIVE according to Jesus and the WAY I DO IN FACT LIVE IN REBELLION against the Truth I have learned.

2ND rollo of the day 2-Sacraments- ENCOUNTERS WITH CHRIST IN HIS CHURCH

If the source of Grace are drawn upon.

I can personally encounter Jesus in each of the 7 sacraments. I am called to actively participate, prepare and live out in my daily life what I have been given by Jesus in each sacrament. Jesus and His body are the center of our Universe and our Faith; Through the Eucharist, I can receive and live out His commandment of Love One Another.

Action-PUTS HIS WILL IN MOTION WITH DECISION

True study is evident when we love out what we learn through our loving deeds. Love speaks louder than words, and any action, when given over to the Grace of God can become an Apostolic Action.

4TH rollo of day 2-Obstacles to Life in GRACE-DIFFICULTIES IN CHRISTIAN LIFE

We can continue to live out the life of Christianity despite the obstacles of sin, found in the World, the Flesh, and the Devil.

Leaders-BY GIVING HIMSELF ENTIRELY (AS A WHOLE)

Each person is called to lead those around him by positive influence towards the Christian Ideal and virtues by using both the Natural and Supernatural Qualities given by God. We can all shine with the Light of Christ and call all grow to be "LEADERS".

5th Meditation: Christ's Message to the Cursillista How Christ loves you.

What does Christ expect of us?

Study of the Environment-IF HE ACCEPTS HIS REALITY IS MADE OF PERSONS

By using sincere friendship and living out our Christian life in our ordinary lives, we can serve as agents to attract others to Christ and to transform environments. Rather than our environments influencing us, we can influence our environments.

2nd rollo of Day 3-Life in Grace-THE TRIPOD

Piety-Study-Action and commitment of love to God and mankind.

FOUNDATIONAL CHARISM SPIRITUAL ENCOUNTER

Christianity in Action-WHOM HE CAN HELP

No Christian stands alone. The Cursillo offers a community of believers who can support, encourage and challenge each other to persevere in their faith journey.
