

What is a Cursillo?

It is an encounter of friendship!

It is three days that make possible three encounters, the encounter with yourself, with God and with others. In the opinion of many, who have already lived it, is the best way to find the best version of yourself.

"He who truly seeks the best of himself, seeks God and he who truly seeks God, finds himself".

Eduardo Bonnín

What happens in the Cursillo?

It is an experience, unique and unrepeatable!

Where nothing is expected and everything is achieved, where only the experience, in person, alive and direct, can explain it.

"Cursillo is the vehicle for an experience of identity, a hymn to life and a tribute to friendship."

Eduardo Bonnín

And after the Cursillo?

Then comes the 4th Day!

The 4th Day is every day of the rest of your life, it is the Perennial Cursillo, so that the Cursillo is not a simple event in life, but is to make life a constant event. The Group Reunion and Ultreya are proposed to you.

What is the Group Reunion?

It is a gathering of Friends!

Friends who gather, because they are friends and Christians, and who gather to become better friends and better Christians.

Does Group Reunion have an outline?

Yes, it has its own outline!

From its origins the Group Reunion has had its own order, it is the one transcribed in the Pilgrim's Guide. It is through the order of

reunion, its application and its practice that the intended purpose is achieved; it is a simple and revolutionary idea that is still in force.

With whom should I have a Group Reunion?

With whomever you want!

With those you admire the most, with those who made the Cursillo with you, with your friends, with your work colleagues, etc...

Where should the group reunion be held?

Wherever you want!

The Group Reunion can be held at home, at the coffee shop, at the bar, at work or even at the parish.

Who is the Group Reunion for?

The reunion is for everyone!

For those who need it most, to remain firm and convinced of their path, and it is for those who need it least. The Group Reunion is for everyone, although not everyone is for the Group Reunion.

When should I start doing Group Reunion?

Right inside the Cursillo!

The first Group Reunion is held on the Cursillo itself, and right after that at the first Ultreya, and if you are willing, you continue to have a Group Reunion every week of your 4th day.

What is Ultreya?

Ultreya is the Reunion of Reunions!

It is the place and time when the best of everyone reaches as many people as possible.

And all this is for what?

All this is for you!

Because we are all important, you are important, to God and to others.

"Whoever in Cursillo, truly encounters the love of God, accepts his past, is grateful for his present and looks forward to his future." Eduardo Bonnín
