ENGINE: _____ TRANSMISSION: _____ GEARS: _____

HOW DID YOU HERE ABOUT US? _____

I hereby authorize LSXKILR Custom Calibrations to perform calibrations/tuning, diagnostic work, mechanical repair, custom fabrications.

I hereby grant LSXKILR Custom Calibrations & its employee's permission to operate the vehicle described above, & voluntary release & forever discharge LSXKILR Custom Calibrations & its employees, partners, directors, & officers from any & every claim, demand, action, or right of personal injury, death, or property damage resulting from or as a result of Calibration/tune.

This release also includes, but is not limited to: any claim against LSXKILR Custom Calibrations for first aid, medical treatment, or services rendered during participation in Calibration/ Tune of the vehicle. This form is intended for any form of tuning services (Dyno, Street, Email, On Site Tuning ect...), diagnostic work, mechanical repair, & custom fabrications.

I understand that that any removal of emissions components, and tuning for said modifications, classifies my vehicle as for "off road" or "race use" only. LSXKILR Custom Calibrations has no knowledge towards the intent of said vehicle outside of those classifications and assumes no liability to vehicle use.

NOTICE:

All Vehicles must be picked up within 3 days of work completion. If your vehicle isn't picked up within the allotted timeframe you will be charged for storage. Outside storage of vehicle will result in a charge of \$25.00 per day. Inside storage of vehicle will result in a charge of \$45.00 per day.

Any parts or equipment unclaimed/picked up after 30 days will be forfeited to LSXKILR Custom Calibrations.

LSXKILR Custom Calibrations reserves the right to use any pictures taken of your vehicle for advertisement, unless you otherwise specify.
