ENERGY-SMART LOANS

Solar & Energy-Efficiency Financing

PSCCU is a not-for-profit, member-owned financial cooperative with a social conscience all-in-one. We offer all the financial products and management tools anyone should need, but we diversify ourselves by incorporating a pay-it-forward approach to our members, the environment and communities by offering a variety of eco-friendly products, services and banking options - such as Solar loans.

Ready to Go Solar? Start Here!

Work with your Solar Installer

Determine what size array is right for you. Consider energy-efficiency measures as well to further reduce your utility load. Putting solar on your roof, puts savings in your wallet.

Apply for Your Loan

You can apply on-line at pscceu.org, or via mail or fax. You'll likely have your decision the same day you apply or the next business day. You tell us when to send the check, and we will take care of the rest.

Enjoy Your Upgrades

You'll be more comfortable and have some extra cash in your pocket, thanks to your reduced utility bills.
