Swimming Lessons:

The late fall swimming lessons have begun, and we have 22 kids. The next session will begin in January.

Community Band

Community Band has their first holiday concert on November 27th @ SE Veterans Center with 2 more in December.

Adult Volleyball

Adult Volleyball is going well. They are averaging 12-15 players per week.

Youth Volleyball

Youth volleyball was postponed because Jade was sick. The new start date was 11/14 with starts next week with 14 girls signed up.

Community Day

We did the Pottsgrove Booster Club Holiday Craft Sale and there was a good turn out and we were able to connect with more members of the community. I was next to Cindy DePaoli who used to provide Country Line Dancing classes through Pottsgrove Recreation back in the 90's. She wants to give it a try again, so we are working on getting a class together to start in December.

Painting Class

I had to cancel this class we may try again after the holidays.

CPR Classes

I have combined this into 1 Class November 30th.

Next meeting will be **January 17th via Zoom.**
