Summer Playground

Our Summer Playground Night at Lower Pottsgrove Elementary School is on April 21 from 6:00-8:00. With 49 students signed up – we will be painting rocks to place in the townships to spread the word about Pottsgrove Recreation and finders will be asked to post a picture and tag Pottsgrove Recreation on Facebook or Instagram.

We currently have **99 participants registered** for Summer Playground. We only had 82 registered this time last year. I have brought the calendar to share with everyone.

Youth Basketball

Youth basketball began March 23 and runs through May 18. We have 15 participants. These classes are going well.

Walk Club

Walk Club will also return soon. I already have some interest, and we will walk 2 days at the high school and 2 days at the middle school.

Annual Contributions

Annual contribution letters were sent out in February. I have received contributions from the School District and West. I am still waiting on Lower and Upper and will be sending reminders soon. Next meeting will be May 14, 2026 @ 6:30 pm – via Zoom.
