## Working on a plan to

## RETURN TO

## LIVE WORSHIP

The Emmanuel Worship and Music Committee along with Church Council has started the conversation and planning for a return to live worship services at Emmanuel. There are many details to be considered in order to have a safe return to meeting in the church building. The meetings will be guided by the ELCA suggestions as well as those put forth by the CDC (Centers for Disease Control) and the State of Pennsylvania. Worship services will likely be a little different from what is traditional as we maneuver through the various guidelines and precautionary measures. Our goal as a worship community is to be together. We have been and continue to be together in spirit as we persevere and look forward to our future together.
