# Important Info This Month

A scenic autumn landscape featuring a dirt path covered in fallen leaves, leading through a forest of trees with vibrant orange and yellow foliage. The scene is captured during the "golden hour" of sunset or sunrise, with a warm, glowing light filtering through the trees.

We will be bannerizing the first 2 weeks of classes for the fall semester. Please fill out the form indicating your availability to display the banner when it is sent out this month.

There are a couple of changes coming for the fall semester so make sure to check Flare and your email for updates.

The application for the fall is already open. Invite your friends to join Aggie Blades!
