NEXT MEETING: SUNDAY JUNE 2, 2019

TIME: 1:00pm

LOCATION: Boca Raton Regional Hospital, Education Center

Hi All,

This will be our last meeting before our summer break. Many of us will be taking vacations and travelling to see friends and family. Please remember us when you are travelling and be sure to share your adventures and experiences (both positive and not so positive) with us when we get back together in October.

This will be an open meeting to raise questions and discuss issues, suggestions, tips you might want to get from or share with the group.

Also, if you have any excess supplies you would like to make available to others, please bring them and I will deliver them to OstoGroup in West Palm Beach. They provide supplies to individuals without insurance for a nominal shipping charge.

PARKING REMINDER:

3 options – Valet at the E.R., self-parking in the lot across Meadows Road - you will see the sign, and back of the Education Center.

Thank you and looking forward to seeing you **June 2nd**
Arthur & Bruce

A walk in the rain. An exercise class that lifts your spirits. Bright days truly start from within. For those who use ostomy systems, **Adapt Barrier Rings** help ensure you enjoy bright days — no matter what the weather. Adapt Barrier Rings help protect you from leaks. You can bend, stretch, and mold them to your body for a customized fit. They safeguard your confidence.
 For a sample, call **1.888.740.8999**.
