Another Great Independence Day Parade In The Books.

A beautiful summer day, an enthusiastic crowd and great help from Braeden Davis, Col. Jeffry Butter, Deb Butter, Norma the longhaired minidachshund, and Dennis Weidler made for a very fine parade. There was lots of candy to throw and lots of smiling kids eager to receive it. This is our third July 4th Parade and it was ranked as the best one yet. Thanks to the Homer Chamber of Commerce (of which KHCX is a member) for sponsoring this Holiday event. It's hard to believe how quickly this summer is going by.

UPSs Installed.

We recently installed two uninterruptible power supplies in the Broadcast Center at ABI. These will provide clean, consistent power for all broadcast equipment for several hours in the event of a power failure. They also protect our equipment from voltage spikes and brownouts. Thanks to a volunteer electrician for helping us complete the project. We will all sleep a little better with these units installed.

Thanks to Revive Academy For the Goodies!

KHCX was blessed by two containers of amazing cinnamon rolls. They were part of the fundraising bake sale held by Revive Academy on the 4th of July. Sarah Gemmon was a guest on Up & At 'Em and delivered these as a thank you.

They had hoped to raise between \$500 and \$1,000. The final total was \$2,900 and they were sold out!

Congratulations on a job well done and best wishes for the future of Revive Academy.
