So Many New Opportunities To Serve.

Our new automation system allows for greater participation by local volunteers. Elizabeth Moore has been updating the Top Nine Praise & Worship, Adult Contemporary and CHR music selections each week.

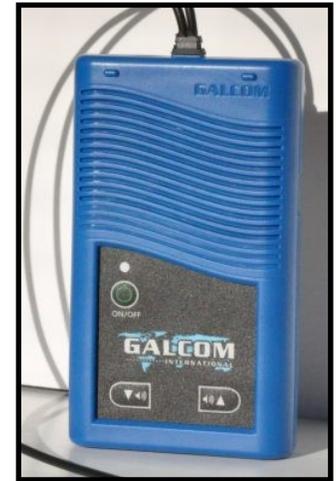

Candace Weidler has been working in her home studio and uploading audio files to the new system over the internet. What a huge blessing the new system has been. There are any more opportunities to volunteer either on the air or behind the scenes. Call or text to 907-304-1057.

The Perfect Gift...a Pound of Our Kilowatt Roast Coffee.

\$20.00

Order online at KHCX.org or give us a call at 907-304-1057.

Ordering Pre-tuned Solar Powered Portable Radios.

These radios will arrive in Homer, pretuned to KHCX 90.9. Our plan is to hand them out at both the Community Resource Connect and at the Rotary Health Fair. Discussions with South Peninsula Hospital have given us an enthusiastic green light.
