We're Back to Chatten' & Chewin'.

After a brief hiatus, KHCX is back with Chat & Chew. Our first interview of the new year featured Pastor Lanny Simpson discussing the many new events being held at The Galley. We are also mixing up our Chat & Chew venues. Pictured above is Pastor Lanny and Deb Butter Chatten' & Chewin' at the Duncan House Diner. We are also scheduled to meet and eat at Captain's Coffee and the Marathon Shortstop at the top of Baycrest.

Our Kilowatt Roast Coffee is Back!

Much anticipated and highly desired, our own brand of Kilowatt Roast Coffee has returned.
