ABI Graduation Carried Live.

The 2025 Graduation Service of the Alaska Bible Institute was aired live on KHCX in Homer. The service, held at the Christian Community Church on April 25th, honored 19 second and third year graduating students. Many graduates have already made plans to enter the mission field or serve churches throughout Alaska.

We want to express our most sincere congratulations for the completion of their studies and the life of service they have chosen.
