Matching Grants Fund New Automation System.

Deb displays the automation shipping order from WideOrbit.

A very special thanks to the Rasmuson Foundation of Anchorage and the Community Foundation of the North State, based in Redding, California for their matching grants totaling nearly \$26,000. This granting process has been a year in the making and the final check arrived in early September. We immediately transferred the funds to Wide Orbit Automation For Radio. They began building the system and a technician will install it remotely here in Homer next

month. We look forward to replacing our 'legacy' system. It has served us well. Thanks so much to these two granting organizations for making this possible To God be the Glory!

WIDEORBIT

Meet At The Corner.

Lexi and Tara busy in the KHCX studio.

Two Homer moms, Tara Hicks and Lexi McQueen have launched "The Corner", a program dedicated to Christian Parenting. "The Corner" airs every Friday at noon, and is also available as a Podcast.

More information is available at meetatthecorner.com on the web.

Thanks for putting in the extra effort, you two!
