## KHCX Recipient of Rasmuson Grant.

A special thanks to the Rasmuson Foundation for their recent grant awarded to KHCX for the acquisition of a new automation system. Our current system is a hand-me-down which was gifted to us by Arctic Broadcasting in Nome. The new system will provide a more streamlined and efficient work flow and give us additional peace of mind.

Thank you...Rasmuson Foundation!

### *Our Kilowatt Roast Coffee is Back!*
