Meet Our Two Newest Volunteers...

Annalee Sikes and Obadiah Near.

You can catch these two as they host weekends on KHCX. They share what they've learned in class at ABI, their personal life experiences and, as an extra bonus, Bible Trivia. That's weekends on FM 90.9.

In Memorium.

It is with deep sorrow that we report that Safe Harbor Board President, Terry Reynolds went home to be with the Lord on January 24th while on vacation with his wife, Linda and friends in Hawaii. His love of Christian radio is one of the reasons Homer now has KHCX. Peace to his memory.
