KHCX Launches Chat & Chew, live from the CoffeeSmith Café.

KHCX aired their inaugural broadcast of the Friday morning Chat & Chew on July 19th with Homer Port Director, Bryan Hawkins as guest. Deb Butter handled the interview to bring the community up-to-date on the Port Expansion project; including the benefit to the community, the funding and the timing. Director Hawkins described the project as ‘trans-generational’ indicating it will most likely not see completion during his time of service.

A special thanks to the CoffeeSmith Café for allowing KHCX access to their spacious, new coffee shop, located inside the Regent Life Church building on Pioneer Avenue and Lake Street.

Also, thanks to Regent Life Church for the use of their wi-fi service to allow transmission of the audio back to the studio and on to the transmitter.

The first, successful attempt gave us a clear, positive sign to continue Chat & Chew for years to come!

KHCX Adds *Featured Artist Friday* to Program Lineup.

Tune in to KHCX every third Friday at 7 a.m. for Featured Artist Friday. We began back in May with Chis Tomlin. In June, by request, we highlighted the works of Phil Keaggy. In July, we featured the very distinctive sound of the Irish band, We Are Messengers. Coming up in August we plan to showcase Crowder...including the David Crowder Band from days gone by.

If any of our listeners has a singer or group they would like to have featured, just let us know at:

KHCXradio@gmail.com

or text or call to

907-304-1057

In addition to a full hour devoted to their music, we also add some interesting fun facts about the featured artist.

Join us for Featured Artist Friday, the third Friday of each month at 90.9 FM.

Scan the QR code to make a donation and partner with KHCX.
