Magnetic signs adorn the 1999 Suzuki

Our Mobile Unit.

The question arises...do you need a mobile unit? At this point, the only real benefit is that the old Suzuki has become an extremely visible rolling billboard.

Even at the Homer landfill I was asked about Safe Harbor Broadcasting. That is exactly the desired response.

So, as I roll around Homer we are sharing the good news that there is a local, Christian music station serving the community 24 hours a day.

The fact that there are a few antennas on the roof (though they are for amateur radio) gives the appearance of being a very serious mobile unit.

Pastor Heidorn

Lutheran Pastor Offers Daily Encouragement.

Many thanks to Pastor Gregory Heidorn of Faith Lutheran Church in Homer. He offers a daily encouragement in a three minute segment each weekday morning at about 10:40 on Safe Harbor Broadcasting.

The segments are instructional, educational, inspirational and encouraging. Many thanks for this much appreciated addition.

Can You Help?

Our short-term financial goal is for ten local churches, families, individuals or businesses to donate

\$50

a month for the next year.

This includes two sponsorship announcements each day.

If that seems do-able, go to www.safeharborbroadcasting.org and click on the donate button.
