Scotts Family Pharmacy. Great people to know.

Welcome to Scotts Family Pharmacy.

We'd like to extend a sincere welcome and heartfelt appreciation to Scotts Family Pharmacy in Homer. They are our very first underwriting sponsors in what we hope will be a long line of supporters.

For more information on their services, go to their website at scottsfamilyrx.com. Or, drop in and tell them how much you appreciate their support of local Christian programming.

We have been monitoring on-line listenership and that has been growing steadily to a level of over ten times the monthl tuned hours from October of last year.

Thanks to all who listen!

Safe Harbor
Broadcasting, Inc.

Safe Harbor Broadcasting has Snow been streaming Christian Contemporary music and local information from Homer, Alaska for just over a year. It has been a long road, requiring great patience, but the first year is behind us.

We have been getting some extremely positive response from listeners which makes this milestone even more satisfying. We are now playing at the Salvation Army Thrift Store all day. Praise God!

To enhance the reliability of the audio stream, we have opted to process the audio through designated hardware rather than another computer. It has been working extremely well.

We have also removed the audio level variations found in recorded music by acquiring a pair of AGC (automatic gain control) amps. Again, the listener response has been very positive.

Much has been done, and much remains to be done. Please pray for our long-term service to Homer.
