Hayden Blalock Memorial FFA Scholarship	Marshall FFA	

Caden Clark, a Senior and Mr. Luke Shadix, Welding Instructor at Marshall High School are joining forces to endow a scholarship to honor to memory of classmate and student, Hayden Blalock.

From Caden:

At the beginning of the 2019-2020 school year, my friend Hayden Blalock and I started working on this shop table with the idea that we would show it at several shows this year and sell it at Farm City Week. We worked for a few days on it before something terrible happened. My friend Hayden was killed in a car wreck on his way to football practice one morning. This was a terrible loss for everyone that knew him. He had a quick wit, the biggest smile in the world, and had never met a stranger. He was the most positive person to be around and lit up a room with joy when he entered. Hayden made peoples days better just by being around.

After getting through the initial shock of losing him, I started thinking of ways that I could honor his memory. The best way that I could think of would be to help start a scholarship in his name. With only \$12,000 we could endow a \$500 scholarship in his memory. This means that every year we could share the story of Hayden's legacy, his charm, and his spirit with others.

The shop table will be sold to the highest bidder and all who wish to contribute to the scholarship can donate in the form of "Add-On" money.

Thank you for your support and helping us honor one of the most amazing people we have ever known.

Caden Clark and Luke Shadix
