Part I: The Pop Warner Program

NATIONAL OFFICE & REGIONAL MANAGEMENT TEAMS:

Pop Warner is led by a national staff and supported by an extended volunteer staff across eight (8) regions. The number and composition of regions is determined and may be changed from time to time by the Joint Advisory Committee of Pop Warner Little Scholars, Inc. (PWLS). The National Office may be reached at: P.O. Box 307 Langhorne, PA 19047 or via www.popwarner.com. When contacting the national office, please state your name, note your team identify your association and league, and clearly and extensively describe the issue at hand.

NATIONAL REMARKS

PWLS is dedicated to the athletes who participate in Pop Warner and to their safety and enjoyment. The rules for Pop Warner activity of any type as published in this book are to be followed scrupulously. Failure to enforce these rules can result in legal action, dismissal and/or loss of charter. Each family and each adult volunteer in the program must be covered by excess medical and liability insurance of some type. Although participation in Pop Warner is statistically safe, such insurance should include coverage for “participant risk.” All programs must have minimum insurance limits of \$100,000 Medical, \$1,000,000 General Liability, and \$1,000,000 Sexual Abuse/Molestation in order to participate.

All Pop Warner programs and activities are open to youth – males and females – including “mixed/co-ed” teams.

ADMINISTRATIVE MANUAL

The Pop Warner Administrative Manual is designed to keep each League and Association current on all administrative matters, as well as to facilitate the daily operational management of those local organizations. This Rule Book and the Administrative Manual are not the personal property of the volunteer, but belong to PWLS.

MISSION STATEMENT

The mission of Pop Warner Little Scholars is to enable youth athletes to benefit from participation in team sports and activities in a structured environment. Through this active participation, Pop Warner programs teach fundamental values, skills and knowledge that young people will use throughout their lives.

Part I: The Pop Warner Program

GOALS AND PHILOSOPHY OF THE POP WARNER PROGRAM

Pop Warner is an international program operated for the benefit of its youth athletes. Since 1929, the program's philosophy has been that academics and athletics go hand-in-hand. At every level, Pop Warner seeks to develop well-rounded young athletes who learn not only the fundamentals of football, cheer & dance, but also the importance of education, in an atmosphere conducive to developing sound mind, body and character – and having an enjoyable time along the way!

The objectives of Pop Warner are to inspire youth, regardless of race, creed, religion or national origin, to practice the ideals of sportsmanship, scholarship, and physical fitness, as reflected in the life of the late Glenn Scobie "Pop" Warner.

Pop Warner strives to make the game fun for all athletes. The program stresses learning lessons of value that will transcend their participation in Pop Warner, such as: self-discipline, teamwork, determination, friendship, leadership, and good sportsmanship. With such goals in mind, and by providing an opportunity to participate in an organized, supervised environment with emphasis on maximum safety and participation, Pop Warner offers young athletes a unique and memorable opportunity to excel.

Part II: Pop Warner Structure

DEFINITIONS

S1: LEAGUE

The term “League” has two definitions, each separate and distinct as applicable:

- A. It is a legal term to define a type of Federation/Conference, **or**
- B. It is a grouping of teams of the same ages and weights (playing levels) into a “league” for scheduling purposes.

League shall be utilized and referenced herein place of Federation and Conference. A League consists of a minimum of four (4) teams playing in the same playing level.. Leagues are Chartered and managed by PWLS with the assistance of the appropriate Region Management Team. All Leagues must declare a commitment to their charter agreement annually and remain in good standing. Pop Warner national staff shall have the right to attend any League/ Association function with or without notice.

S2: ASSOCIATION

Associations are organizations that sponsor and administer one or more teams. They raise money, buy equipment, recruit coaches, secure fields, secure indoor practice facilities, etc. Each Association shall have Association Board members to be called the Director of Football or Football Commissioner, as well as a Director of Cheer & Dance, Cheer & Dance Commissioner (or whatever other term is locally applicable), who are equal voting members of the Association Board and responsible only to that board.

Associations are characterized by specific geographical coverage. In cities, they often adopt commonly understood neighborhood names. In the suburbs, they usually take the town name. In rural areas, an association name may embrace an entire county (or a substantial part of it). An association’s recruiting area is approved by its League and is normally consistent with its geographical name. When there are no associations, a League is intramural.

S3: ADMINISTRATORS

All League & Association Administrators must be at least 21 years of age.

S4: TEAM

A team is the universal, basic unit of organization. At minimum, a team consists of a group of athletes organized under the direction of a coaching staff in a given playing level. Each football team may have a maximum of three rostered Pop Warner Cheer & Dance teams.

Part II: Pop Warner Structure

S3: Leagues must establish boundaries for their participating associations. ARTICLE 5: COACHES REQUIREMENTS

Details related to this article are now included in the football and cheer & dance portions of the rule book.

ARTICLE 6: REGISTRATION

A candidate cannot begin practice with a team until he/she has officially registered. Registration consists of completing and submitting items S1-S4 in this Article in addition to any/all local required forms.

The sign-up fee, if any, may be collected at this time. All coach trainees and student demonstrators under the age of 18 must be registered/certified in the same manner as all other minors participating in Pop Warner programs. All candidates must furnish the following in order to be registered and before starting practice:

S1: PARENTAL CONSENT

A candidate cannot begin practice with a team until he/she has officially registered. Registration consists of completing and submitting items S1-S4 in this Article in addition to any/all local required forms.

S2: MEDICAL FORM

A signed medical form provided by PWLS is required to be submitted each year by a parent or legal guardian of each youth participant attests that the youth athlete has been given a medical examination within the past two years, is physically fit, and has no observable conditions which would contra-indicate playing football or participating in cheer & dance.

SPECIAL NOTE: A person with a loss of limb may participate provided that the individual has a signed statement of approval from an examining physician and that the use of the artificial limb is no more dangerous to athletes than the corresponding human limb, and does not place an opponent at a disadvantage.

Part III: Pop Warner Regulations

All Programs

S3: PROOF OF AGE

A certified copy of the birth certificate on file bearing the seal of the issuing office of the state of birth is the best guarantee of reliability of claimed date of birth and is the form of proof most recommended.

Passports are also reliable. Military ID cards are acceptable. Certified wallet-size certificates issued by a state or commonwealth are acceptable. Any other alleged "proof of birth date," including photocopies of "originals," are to be accepted only upon the willingness of the team administration to have its schedule forfeited should fraudulent application later be determined. Pop Warner does not mandate retaining the originals but verifying them.

S4: SCHOLASTIC FITNESS

Proof of satisfactory progress in school is required. A 2.0/70% or the equivalent shall be the minimum grade point average acceptable to participate. In cases of doubt, conflict of opinion, or if a valid report card is not submitted, the nationally published scholastic eligibility form shall be used and deemed final. NOTE: Like all rules herein this rule as it relates to scholastic grades may not be made more stringent by any team, association, or league. No local team may be allowed to participate in Region/National sponsored championships or bowl games if it has not met the nationally published scholastic requirements and may be subject to other penalties.

Academic verification will take place at the local level. Leagues do not need to keep a record of each individual athlete's GPA, but must affirm eligibility. Each League Scholastics Coordinator is required to file an official Pop Warner "League Confirmation of Compliance with Scholastic Fitness" affidavit annually with the National Office. This affidavit will state that each athlete on the certified roster meets the minimum academic standard and is eligible to participate.

ARTICLE 7: FORMATION OF TEAMS

Tryouts of any kind within Pop Warner are prohibited. Tryouts are defined as any means used to ascertain the level whereby a participant is placed on a team, including assessments, evaluations, or any other method used to place a participant in Pop Warner. For more information regarding formation of teams, please see the specific rules in the football and cheer & dance portions of the rule book.

ARTICLE 8: MANDATORY CUTS

Any participant must be cut who:

S1: Is found to have signed up as a result of parental pressure or tells team management he/she does not really want to play football or compete in cheer & dance.

Part III: Pop Warner Regulations

All Programs

S3: Is a member of any other organized Pop Warner program that retains his/her rights is the one whose boundary includes the athlete's primary residence.

S4: Is to be simultaneously rostered and participating on another Pop Warner team in the same sport, or simultaneously rostered and participating in other youth football, cheer or dance leagues, teams and events that are not under Pop Warner governance. (Exceptions: See Football, Rule 21; See Cheer & Dance, Section V, S6).

S5: Attempts to intimidate fellow athletes in practice by word and/or physical deed. No refunding of fees shall be required.

S6: Is a recurring discipline problem (and then, only with the concurrence of the League).

ARTICLE 9: VOLUNTARY CUTS

An athlete shall be considered a voluntary or "self-cut" athlete when he/she simply no longer shows up at practices, games or competitions of his/her own free will. While voluntary cuts are not charged to any team for the purpose of these regulations, a coaching staff may attempt to disguise its cutting pattern by arranging practices in such a way as to discourage athletes of lesser ability into quitting on their own. While these practices are not common, they have been known to occur and are considered intentional avoidance of the rules and regulations and are, therefore, punishable as a result of a hearing.

If a team loses 20% or more of its assigned athletes prior to certification, it is mandatory that the Association investigate the causes for the athletes voluntarily leaving the team, and take whatever appropriate action may be needed. The results of this investigation shall be reported to the League and the League shall have final authority as to whether appropriate actions were taken.

ARTICLE 10: CERTIFICATION

S1: Certification is that process whereby the team or association will file with the League and Region of which it is a member, a complete roster of athletes for the regular season schedule.

S2: A roster is certified once the Association and League have approved the roster through Pop Warner's online Roster Software. A certified roster is one that the League has accepted at a preseason session with its teams, based upon information submitted, and the teams are restricted to these athletes for the balance of the season (except for allowed "Drops" and "Adds," see Article 12).

Part III: Pop Warner Regulations

All Programs

S3: Certification will be accomplished within the official Roster Software. All rosters must be completed online prior to the first regular season game to be certified.

S4: To be certified onto a team roster, an athlete shall qualify under the following:

- A. Eligibility according to residence shall be decided by the League when the candidate resides in an area other than that authorized for the Association by the League and on file at PWLS.
- B. Each Association shall attempt to assign a first-time athlete to the lowest age and skill division for which he/she is qualified.
- C. Once certified for a particular age level, an athlete shall not be permitted to recertify to a lower age level during the current season under any circumstances, but based on the information available shall be permitted to approve recertification to a higher age/skill level.
- D. Ages shall be verified by birth certificate as specified in Article 6, S3.
- E. Associations will require each athlete to upload a current photo to the roster software that is no more than two years old.

ARTICLE 11: RETENTION OF ELIGIBILITY

Once certified, an athlete or Coach Trainee/Student Demonstrator must meet the following requirements to retain eligibility:

S1: Transfer policy in case of change of residence will be decided by the League.

S2: Retain parental consent.

S3: Maintain sound physical condition.

Part III: Pop Warner Regulations

All Programs

ARTICLE 12: DROPS AND ADDS

S1: A team may add athletes to its certified roster as long as said roster was certified below the maximum number permitted, or to replace those originally certified and no longer on the team for any valid reason as outlined herein.

S2: Each League shall establish its own Drops & Adds cutoff date, but no athlete may be added to any roster after September 15 of the current season.

S3: All Fall Season Team Rosters must have active status in Pop Warner's Roster Software by September 15.

ARTICLE 13: NO ALL-STARS

All-Star teams are prohibited in Pop Warner. Pop Warner Football fall season rosters are valid from July 15-December 31, while Pop Warner Cheer & Dance rosters are valid from July 15-July 14 of the current year. Any coach or athlete found to be competing with All-Star athletes from different rosters of regular season teams will forfeit future eligibility for all Pop Warner programs.

ARTICLE 14: AWARDS

S1: In compliance with the team concept and in view of the ages of Pop Warner athletes, no athlete will be singled out for presentation of any special award. This includes, but it not limited to "best lineman" and "best offensive back" in football, "best flyer" and "best jumper" in cheer & dance, and generally "most valuable athlete" on any team. Such adulation should be given to an athlete after his Pop Warner days, if he/she justly deserves it by performance or achievement. Individual awards may be presented, but must be given to all team members.

S2: SPECIAL NOTE FOR ATHLETES: Awards for individual performances displayed on the uniform, helmet or any piece of equipment are prohibited.

ARTICLE 17: IMPORTANT POINT—MEDICAL & CONCUSSIONS

The home team or hosting organization has the responsibility to provide medical coverage at each game or competition. In the absence of a physician and or ambulance on the site, the minimum safety requirement will be the presence of one individual associated with the home team/host organization who is currently EMT qualified or is currently certified in Red Cross Community First Aid and Safety, the P.R.E.P.A.R.E. Course by the National Center for Sport Safety (www.sportssafety.org), or their equivalent.

Work together with your local EMTs to establish an emergency plan that fits your specific area and needs. Your emergency plan should include, but not be limited to, the following:

- A. introduce or identify trainer/health care provider to visiting coach;
- B. home team/host organization review emergency plan with visiting team;
- C. designated duties for coaching staff and or athletes;
- D. specific directions to your facility for emergency medical service (EMS);
- E. emergency numbers,
- F. injury report forms;
- G. treatment authorization card;
- H. list of administrators that the coach is required to contact.

Practice your emergency plan early in the season, and repeat often throughout the season. A similar plan should be in place for teams traveling to away games and competitions.

All teams are recommended to have a staff member carry the entire team's medical release forms and emergency numbers for all athletes in case in an emergency their parent(s) or guardian must be reached. Having the family physician's number opposite the athlete's name is also recommended.

Part III: Pop Warner Regulations

All Programs

S1: CONCUSSION RETURN TO PLAY GUIDELINES:

An athlete who is suspected of sustaining a concussion or a head injury in a practice, game or competition shall be removed from practice, play or competition at that time based on evaluation and determination by the Head Coach. However, if an official licensed athletic trainer or other official qualified medical professional is on site and available to render such evaluation, that person shall always have final authority as to removal or return to play/competition of the athlete. When an official licensed athletic trainer or other official qualified medical professional is not present, and a parent or guardian of the injured athlete is serving as head coach, the final authority on removal of a athlete shall rest with the league president, association president or the top ranking assistant head coach; whomever is present and highest in the Pop Warner chain of command.

Any Pop Warner athlete who has been removed from practice, play or competition due to a head injury or suspected concussion may not return to Pop Warner activities until the athlete has been evaluated by a currently licensed medical professional trained in the evaluation and management of concussions and receives written clearance to return to play from that licensed practitioner.

In the absence of an official licensed athletic trainer or other official qualified medical professional, at Pop Warner regional events, the Regional Director and/or Regional Cheer & Dance Coordinator shall be the final authority on removal of an athlete for a suspected head injury or concussion. At National events, the National Football Commissioner or National Cheer & Dance Commissioner, or in their absence the President & CEO, shall be the final authority on removal of an athlete for a suspected head injury or concussion.

Pop Warner recommends that all decisions be made in the best interest of the athlete and that when any doubt exists as to the health of the athletes, they sit out. Please check www.popwarner.com or www.cdc.gov/concussion for Center for Disease Control (CDC) signs and symptoms chart for concussions.

ARTICLE 18: CHARGING ADMISSION

Reasonable admission fees may be charged to attendees for entry into pre-season, regular season and postseason Pop Warner league, association and team events, however such admission fees shall not be borne by any active rostered individual who is partaking in the event, including both athletes and coaches, as well as all pertinent Pop Warner administrators; all of whom shall be admitted free of charge.

Part III: Pop Warner Regulations

All Programs

ARTICLE 19: PROTESTS

S1: Only protests involving the eligibility of an athlete shall be considered.

S2: Protests are decided in accordance with the administrative procedures of the League.

S3: Teams, Associations and Leagues have the responsibility to communicate protests as soon as they are known to exist. Lack of prompt notification may result in denial of the protest.

ARTICLE 20: PATCH REQUIREMENT

All Pop Warner athletes must have the official Pop Warner patch displayed on every uniform for games and competitions in order to participate. More specific information on placement is included in the football and cheer & dance portions of the rule book.

Patches may be purchased through www.popwarnershop.com. All uniforms purchased through Pop Warner Authentic, Inc., are permitted to have the patch sublimated or silk screened directly to the uniform. Momentec Brands has the exclusive right to include a dye-sublimated patch onto its uniforms; no other manufacturer has that same right.

ARTICLE 21: MANDATORY BACKGROUND CHECKS

S1: As a condition of service to a Pop Warner League, all member League and Association board members, coaches, administrators, team parents and other individuals on official, certified team rosters, are required to complete and submit an official "Pop Warner Volunteer Application" to their local Pop Warner Association or League. **Annual** background checks must be completed prior to the applicant assuming his/her duties for the current season, and should be submitted to the League President prior to the start of the current season. Refusal to submit a fully completed "Pop Warner Volunteer Application" annually must result in the immediate dismissal of the individual or denial of participation for the applicant.

S2: Each League shall require and be responsible for enforcing all league and association personnel to annually submit to the League President a fully completed official "Pop Warner Volunteer Application," prior to the applicant assuming his/her duties for the current season. The Volunteer Application must include signed permission from the applicant allowing the League or Association to perform the necessary background check. The official "Pop Warner Volunteer Application" shall only be modified in order to comply with local, state, provincial or national laws. Each League shall also

Part III: Pop Warner Regulations

All Programs

require and be responsible for enforcing that an Officer of each member Association complete and submit an official Pop Warner “Association Confirmation of Compliance with Background Checks” affidavit.

Each League is required to file an official Pop Warner “League Confirmation of Compliance with Background Checks” affidavit annually with the National Office. All volunteer applications and Association affidavits must be maintained by the League for a minimum of one year, but Pop Warner’s recommendation is for two years after the volunteer leaves the organization. Volunteers shall be defined as those persons who have been approved by the League to serve in that capacity.

S3: No League shall permit any of the above referenced persons to participate in any manner whose background check reveals a conviction for, or guilty plea to, any crime involving or against a minor. In addition, other charges and convictions may be an indication of an unfit volunteer, and therefore a League may prohibit any individual from participating as a volunteer if the League deems the individual unfit to work with minors, as long as the League applies the same criteria uniformly for all individuals seeking to volunteer.

S4: All Leagues must conduct a nationwide search that contains the applicable government sex offender registry data using a preferred background check provider or a government agency sponsored state search of criminal records. Additionally, if a League utilizes only a state sex offender registry check, that League must also perform a national database or a Federal background check search. If a local organization becomes aware of information, that an individual, including, but not limited to, volunteers, athletes and hired workers, has been convicted of or pled guilty to any crime involving or against a minor, the league must immediately contact the applicable government agency to confirm the accuracy of the information.

Upon confirmation of a conviction for, or guilty plea to, a crime against or involving a minor, the league must prohibit the individual from participating in any manner. Due to the fact that Pop Warner Little Scholars Inc. has no direct operational control over the selection of volunteers, each League shall be required to indemnify and hold harmless Pop Warner Little Scholars Inc. against all legal actions based upon allegations arising from a failure to enforce all or part of this regulation. Failure to comply with all or part of this regulation may result in the suspension or revocation of the league charter, the removal of league and/or association volunteers, ineligibility for participation in region and national play/competition, and as well as significant legal liability.

Part IV: Enforcement Policy

POLICE POWERS/HEARINGS & APPEALS

- A. Resolve disputes between member organizations and individuals.
- B. Take action to enforce National and local rules and regulations.
- C. Discipline both adult and juvenile members.

NOTE: NATIONAL POP WARNER DOES NOT HANDLE APPEALS.

Each League is advised to set up its own tribunal to handle matters in a timely fashion at the local level. **WARNING:** Failure to do so could result in being taken to court. The National Office will intervene only in rare instances at its sole discretion. Please refer to the Pop Warner Administrative Manual for hearings and appeals guidelines.

Part IV: Enforcement Policy

The failure of a convicted coach to comply with this provision will be deemed a second violation.

S2: JUVENILE OFFENSES

Fighting, intimidation, disrespect for authority or blatant disregard for rules of competition shall be cause for ejection from a game/competition. Any juvenile ejected from any game/competition for cause shall be ineligible for participation in their next game/competition. If an ejection happens during the last game of the current season, the ejected juvenile will serve their 1 game suspension the first game of the following season. A second ejection during the same season shall be cause for removal from the team for the balance of that season. Any juvenile charged with criminal activity may be removed to ensure the safety of other athletes.

S3: TEAM AND ASSOCIATION OFFENSES

A. FAILURE TO KEEP FAITH WITH JUVENILES & PARENTS

is defined as any deliberate practice or failure of a team or association which placed the health, welfare and safety of juveniles in jeopardy, or exploits or treats them in such a manner that the juvenile becomes a “tool” of the team.

To file this charge, the violation must result from team or association policy, and not be an aberration of one individual. This implies that the practice is carried out by order of, or with the knowledge of, the officership, and no steps are taken to end it.

MINIMUM PENALTY: Probation of the organization coupled with permanent suspension of its president and all others who participated in the practice. Upon a second offense, suspension of the organization until all officers are removed.

- B. FIGHTING/RIOTING/INCITEMENT TO RIOT:** Game related: forfeiture of the game for first offense; forfeiture of the season for second offense within the same season. Scrimmage related: at the discretion of the League. Competition Related: forfeiture of the competition.

S4: REGION AND NATIONAL PLAYOFFS

Investigations and hearings concerning Region and National Championships and Playoffs will be conducted by the National Office and/or appropriate Region Staff in accordance with Pop Warner’s Dispute Resolution Policy as stated in the Administrative Manual and/or communicated by the National Office.

S5: ADDITIONAL OFFENSES

Any and all other offenses which are committed by any party may be subject to the minimum penalty of probation.

Part V: 11-Man Tackle Playing Rules

Except as specifically modified for Pop Warner Football, all games are to be played under the state rules (including state adoptions) for varsity football of the applicable governing body-either the individual state member of the National Federation of State High School Athletic Associations or the National Collegiate Athletic Association. It is recommended that each coach have their own copy of the current year's high school rules. Learn more about how you can order a copy from the National Federation at www.nfhs.org or from the NCAA at www.ncaa.org.

RULE 1: AGES AND WEIGHTS

S1: JULY 31 CUTOFF-LEAGUE AGE

The player's age on July 31st of the current year (2025) shall be the player's age for the coming season. Beginning with the 2026-2027 season, the player's age on July 14th of the current year (2026) shall be the player's age for the coming season.

S2: OPERATION OF AGE/WEIGHT SCHEMATICS

Option 1- the traditional age/weight schematic provides a uniform series of three basic years of age qualification for each level of play, with a fourth year of eligibility falling under more stringent weight restrictions (the "older/lighter" player). The "older/lighter" player is indicated by an asterisk. (See Rule 1, S4)

Option 2- the age based schematic provides levels starting with 5/6 yr. olds and no minimum or maximum weights.

Please note programs may not arbitrarily eliminate any ages from the levels, i.e. choose not to allow older/lighters etc.

S3: SPECIAL NOTE FOR MITEY-MITES & 8u, 9u

Mitey Mite, 8U and 9U are training levels, free of any pressure with an emphasis on the individual being supported and empowered to develop, improve and become the best version of themselves. For Mitey Mites and 8U, a Local & Regional Champion may be declared. Beginning in 2023, 9U teams will have a chance to compete at the Pop Warner Super Bowl. Beginning in 2024, 9U coaches will NOT remain on the field during game play. This is no longer an option of the League. Beginning in 2025, 8U will compete at the Pop Warner Super Bowl. 8U coaches may remain on the field at the discretion of their league, but shall remain a minimum of 10 yards from the line of scrimmage. NOTE: 8U coaches are NOT permitted to remain on the field during playoff or championship games.

Rules 2 through 6 a specific to programs that are using the Age/Weight Schematic.

RULE 2: INITIAL WEIGH-IN; FIRST PRACTICE

Until the first practice session, no convenient means will exist for the team to conduct this weigh-in. Its purpose is to serve as one final check of qualification and to screen out for special attention each player whose weight will bear watching by the team staff, the players, and parents throughout the practice period, because it is slightly below the minimum or slightly above the maximum weight for that particular level. Those failing the initial weigh-in will not continue as eligible candidates for the team (See Rule 6). The initial weigh-in is not the certified weigh-in and may be conducted on less than a medical quality scale.

RULE 3: IN-SEASON DETERMINATION OF WEIGHT

Each team will have its players checked on Game Day PRIOR TO EACH GAME during the season to assure that the weight standards are being maintained. Agreements between teams/coaches to waive weight requirements are not permitted.

Part V: 11-Man Tackle

Playing Rules

S1: IDEAL METHOD

The ideal method of in-season weight checks can only be used when all playing facilities used throughout the program include dressing facilities. If so, pre-game weigh-ins, in shorts, will be conducted before every game and will be scheduled so that they are completed not later than fifteen minutes before kickoff. A medical scale will be used. If not available, a lesser scale may be used if its accuracy can be checked against a weight of known value. The weigh-in will be conducted by a League-assigned Weigh Master.

S2: ACCEPTABLE METHOD

The following alternate method of in-season weight check (with uniform and equipment allowance) shall be used where dressing facilities are not available:

- A. A weight allowance shall be established for the wearing of the uniform and protective equipment which will then be subtracted from the player's total scale weight. In cases of marginal overweight or marginal underweight, the team shall be entitled to a strip weight, in shorts, of the player concerned. Strip weight checks will be conducted in dignity, away from unnecessary personnel.

To facilitate the weigh-in process, the scale should be one that can be set up along "pass" or "fail" limits, i.e., be capable of being preset to balance at the maximum and minimum allowable weights for the particular level of play. In this way, a line of players can step onto the scale and have their weights quickly judged as falling at or below the maximum. Next, the scale can be reset to balance at the minimum "pass" weight so players can be judged to weigh at or above the minimum weight. For judging a player's weight, all weights shall be rounded to the nearest full pound-i.e., a player weighing less than 1/2 pound above a full pound will be rounded down, while a player at or above 1/2 pound will be rounded up.

- B. The following weight allowances for the wearing of equipment and uniform shall be used. All weights are without a helmet. Cold climate areas: add 1 pound to all weights given when wearing full sleeve cotton jersey with undergarment.
1. Tiny Mite & Mitey-Mite - 7 lbs.
 2. Junior Peewee & Peewee - 8 lbs.
 3. Junior Varsity & Varsity - 9 lbs.
 4. Junior Bantam & Bantam & Unlimited - 10 lbs.

Part V: 11-Man Tackle Playing Rules

S3: CHALLENGE METHOD

Weight check by challenge or other than above prescribed methods is not acceptable.

S4: INTEGRITY OF WEIGH-IN

Once a weigh-in has been conducted, no equipment shall be exchanged unless the equipment is found to be unsafe, and/or damaged.

RULE 4: IN-SEASON WEIGHT INCREASE

The allowable increase in maximum weight for any level of play shall be calculated as follows, beginning with the first regular season game: These weight allowances may only be granted after the participant has passed the original certification.

1st week	- 0 lbs.
2nd week	- 1
3rd week	- 2
4th week	- 3
5th week	- 4
6th week	- 5
7th week	- 6
8th week	- 7
9th week	- 8
10th week	- 9*

*No more than nine (9) pounds may be added to the maximum weight after the tenth week. Teams cannot add more than 1 pound per week. The above schedule begins with the first week of League scheduled games. Teams advancing to the Super Bowl will be allowed a one (1) pound increase at the national weigh-in.

RULE 5: FAILURE TO PASS IN-SEASON WEIGH-IN

S1: WEIGH-IN BEFORE EACH GAME A player failing a weigh-in will be disqualified from participation in that game only. He may sit with the team on the bench after he has removed his helmet and shoulder pads.

S2: Determination of Weigh Master as to the weight eligibility of a player is final.

RULE 6: CUTTING OF PLAYERS

In addition to those reasons listed in Articles 8 & 9, any player must be cut who:

- A. Weighs 6 or more pounds above the maximum weight for the selected level of play, at the time of the initial practice session.
- B. Weighs 3 or more pounds less than the minimum weight for the selected level of play, at the time of the initial practice session.

Part V: 11-Man Tackle Playing Rules

RULE 7: CERTIFICATION OF PLAYERS

In addition to the stipulations found in Articles 10-12, to be certified onto a team roster, a player shall qualify under the following:

- A. A player shall meet the age requirements as specified on the applicable age/weight schematic. (See Rule 1, S4)
- B. At certification, a player who fails to make the weight for the team he has been practicing with, but falls into the weight bracket of another division, must be moved to the other division as part of certification.
- C. A League shall not add the "in-season" growth allowance to the certification weights as a means of upping the maximum weights or increasing the certification weights.

RULE 8: ROSTER SIZE

S1: MAXIMUM ROSTER SIZE

Not more than 35 players shall be certified onto a team roster. A team with less than 16 certifiable players will not be permitted to form and play. The League may establish a minimum higher than 16 for a team to be allowed to form and participate.

S2: MINIMUM ROSTER SIZE

A minimum of 16 players must be dressed and eligible to start each game. Also, if you start a game with 16 players, you can finish a game with 15 eligible players. Each League may establish a minimum number higher than 16, but once adopted, it must be kept for the entire season, including post-season bowl games. Each League shall have the option to determine whether or not a team which fails to dress the minimum number of players shall forfeit the game or whether the game shall be rescheduled. Any team which forfeits two successive games by reason of an insufficient number of players shall be investigated by the League for a determination as to whether to forfeit the balance of the season. Please note Pop Warner strongly recommends a minimum of 20 players.

RULE 9: PLACEMENT OF TEAMS IN DI/DII/DIII

Leagues & Regions will make their best effort to assign teams to DI/ DII/ DIII in the various levels of play. Below is a list of criteria that will be used to determine where to slot a team.

- Number of Teams at each level per Association
- Coaching Staff (returning/new)
- League Standings
- History in League, Region & National Playoffs
- Super Bowl Participation
- Any questions/issues regarding where to place a team will be decided by Regional & National Offices.

Part V: 11-Man Tackle Playing Rules

- Teams must declare I/II/III by September 15 in the PW Roster System. Once a team has been approved for I/II/III they cannot change divisions unless approved by your Region Director.

RULE 10: MANDATORY PLAY RULE

The following shall be the Minimum Mandatory Play Rule (MPR) for all Pop Warner teams. Each league may set a higher number of Mandatory Plays, but never less than the minimum set by PWLS. All MPRs should be based on eligible players at the time of the game.

JPW-BAN, 10U-14U:	TM-MM, 6U-9U:
16-25 players - 10 plays	16-25 players - 12 plays
26-30 players - 8 plays	26-30 players - 10 plays
31-35 players - 6 plays	31-35 players - 8 plays

6u, 7u- Will follow the same MPR requirements as the Mitey-Mites. The plays must be from the line of scrimmage and declared “active.”

- All players shall be provided their mandatory plays by participation in “active” plays, without the intent to minimize the action or integrity of the plays. Plays such as, but not limited to, having the center snap the ball to the quarterback, and then the quarterback fall to the ground, take a knee, spiking the ball regardless of whether the ball is moved or not while substitutes are playing other positions, shall NOT be considered as active plays.
- A play shall not count toward fulfillment of the MPR if the play results in a penalty which causes the down to be replayed.
- All players shall receive their mandatory plays by the end of the third quarter, or they shall enter the game at the start of the fourth quarter, and remain in the game until they have received their required number of plays.
- Failure to adhere to MPR requirements will result in forfeiture of game in addition to enforcement policies outlined in Part IV, S1.
- In addition, a player denied his/her required number of plays will start the next game and receive double the number of Mandatory plays in that game. Failure to comply with this provision will be deemed a second violation.

Each League shall establish its own system for enforcing the MPR, and must provide a simple handout or digital file describing its MPR so that this information is made available to each coach throughout the entire League, before the beginning of the season. The Nationally preferred system is that used in the National games.

RULE 11: THE FIELD AND MARKINGS

S1: The home team is responsible for the preparation of the playing field and all required accessories for a game. All fields will be equipped and marked in accordance with high school standards. Lime and other caustics shall not be used.

Part V: 11-Man Tackle Playing Rules

S2: The bench area is reserved for players, coaches, and authorized team personnel only. The sideline areas are reserved for the game physician and chain crew, with the balance of the sidelines kept clear except for the presence of medical and law enforcement personnel, and authorized members of the press. Each League shall be permitted to determine on which side of the field the chain crew shall operate. In the absence of a League stated position, the local high school rules shall apply.

S3: An 80-yard field is permissible for Tiny Mites, 5/6, Mitey-Mites, 7/8, Junior Peewees, 8/9/10 and Peewees.

RULE 12: GAME BALL

- A. **Helmet:** Only helmets bearing the NOCSAE Seal of Certification may be worn. All helmets must bear the current NOCSAE approved "Warning Label" in a visible position on the outside of the helmet. The winner of the coin toss has the choice of offense or defense. The loser of the coin toss has the choice of direction. There is no option to defer. Teams will automatically switch sides of the field and the team that started the game with possession will begin the 2nd half on defense. The offensive team takes possession of the ball at its 5-yard line and has four (4) downs to cross midfield. Once a team crosses midfield, it has three (3) downs to score a touchdown.

Part VII: Flag Football

- A. If the offensive team fails to cross midfield after 3rd down and elect to “punt” on 4th down, the possession of the ball changes and the opposing team will start a new possession from its own 5-yard line. If the offensive team goes for it on 4th down and does not cross midfield, the opposing team will start a new possession from the spot where 4th down ended.
- i. Any time there is a ‘PUNT or PLAY decision on 4th or 3rd down, the referee WILL ask the offense’s Head Coach to declare ‘Punt or Play’. The coach MUST make an immediate decision or risk a delay of game penalty.
- ii. Teams may use a timeout to change the declaration of “Play” at any time prior to the expiration of the play clock.
- iii. After crossing midfield, if the offense fails to score on 3rd down, the ball changes possession and the new offensive team starts at its 5-yard line.

****Only one player is allowed in motion when the ball is snapped. The player MUST be in motion, off the line of scrimmage. All motion must be parallel or backwards to the line of scrimmage when the ball is snapped.**

S3: TIMING

- A. Regular Season Games are played on a 48-minute continuous clock with 2 - 24-minute halves, unless one team gains a 35-point advantage, which will end the game. Teams can agree to continue without changing the score. The clock stops for halftime, injuries and at the Officials' discretion.
- B. Halftime is 2 minutes.
- C. REGULAR SEASON PLAY: Once the ball is spotted, a team will have 40 seconds to snap the ball. TOURNAMENT PLAY: A 25-second PLAY CLOCK will be used.

- E. Officials will stop the clock for team timeouts, player injuries and at their discretion.

S4: OVERTIME

If the score is tied at the end of regulation play, an overtime period will be used to determine the winner. **Overtime format is as follows:**

- A. Home team calls the coin toss to determine the team that chooses to be on offense or defense first.
- B. If a second round of overtime must be played, the team that lost the coin toss will choose offense or defense for the start of the second round of overtime. This process continues with teams alternating the choice to be on offense or defense to start every round of overtime.
- C. The referee will determine which end of the field the entire overtime will be played.
 - i. 1st OVERTIME: Each team will get one (1) play from the defense's 5-yard line for one point or the defense's 10-yard line for two points. Each team has the choice to go for 1 or 2 points in the first OVERTIME PERIOD ONLY. Example: Team A starts on offense and chooses to go for one point from the 5-yard line and is successful. Team B is then on offense and can choose to either go for one point from the 5-yard line to tie and force a second round of overtime or to go for two points from the 10-yard line for the win. If the second team on offense in an overtime round fails to beat or match the team that went first, the game is over.

Part VII: Flag Football

- ii. Starting with the 2nd overtime, both teams must attempt a 2-point conversion from the 10-yard line.
- iii. Starting with the 3rd overtime, each team will get 1 play from the 5-yard line going out from the endzone. The team with the most yards will be the winner. The team with the most yards will be awarded 1 point added to their final score.
- D. The Final Score will be recorded to include all points scored in the overtime periods.
- E. All regulation period rules and penalties are in effect.
- F. There are NO timeouts in overtime. Each team will be afforded one (1) coaches challenge' for the entire overtime session. Challenge MUST be a misapplication of a rule, NOT a judgement call by an official.
- G. Interceptions are returnable for a score in OT and are worth two (2) points. Interceptions returned for a score in the first or second overtime period, the game is over. Interceptions advanced in the third overtime period, the game is over.

S5: SCORING VALUES

<u>Touchdown</u>	<u>6 points</u>
<u>Point after TD (from 10-yard line, run or pass)</u>	<u>2 points</u>
<u>Point after TD (from 5-yard line, pass only)</u>	<u>1 point</u>
<u>Safety (awarded to opponent)</u>	<u>2 points</u>
<u>Interception return during regulation</u>	<u>6 points</u>
<u>Interception return on PAT conversation or in OT</u>	<u>2 points</u>

Note: A safety occurs when the ball-carrier is declared down in his/her own end zone. Runners can be called down when their flags are pulled by a defensive player, a flag falls out, they step out of bounds, their knee or arm touches the ground, a fumble occurs in the end zone or if a snapped ball lands in or beyond the end zone.

- A. A team that scores a touchdown must declare whether it wishes to attempt a 1-point conversion (from the 5-yard line) or a 2-point conversion (from the 10-yard line). Any change, once a decision is made to try for the extra point, requires a charged timeout. A decision cannot be changed after a penalty.
- B. REGULAR SEASON PLAY: When 1 team is winning by 35 points or more, the game is over.
- C. Forfeits will be scored 35-0 for the winning team.
- D. The coaches, officials and scorekeeper must verify the score sheet. If a coach does not verify the score sheet before leaving the field, the scorekeeper will note on that score sheet and the score will be FINAL.

Part VII: Flag Football

S6: **RUNNING GAME**

- A. The ball is spotted where the ball is when the flag is pulled.
- B. The quarterback cannot directly run with the ball across the Line of Scrimmage. The quarterback is the offensive player who receives the snap under center directly or in shotgun formation.
- C. Direct handoffs, pitches, and laterals are permitted behind the line of scrimmage only. If this takes place, after the ball carrier crosses the line of scrimmage, the play is to be blown dead by the official. The ball shall be placed at the spot possession was lost for the next play.
 - i. “Center sneak” play is NOT allowed. The QB may NOT handoff, pitch or lateral the ball first to the center.
 - ii. Any player who receives a handoff, backward pass, pitch or lateral can throw the ball from behind the line of scrimmage.
 - iii. Once the ball has been handed off, in front, behind or to the side of the quarterback, or a backward pass, pitch or lateral has occurred, the 7-second passing clock is eliminated, and all defensive players are eligible to rush.
- D. Definition of a “Legal Handoff” - Total loss of possession directly from 1 offensive play to another.
- E. Teams are not allowed to run in the ‘NO RUN ZONES’ - (Reminder: Each offensive team approaches only TWO no-run zones in each drive – one 5 yards from midfield to gain the first down and one 5 yards from the goal line to score a TD).
- F. Runners are not permitted to jump, leap or hurdle, in the officials’ judgement, while advancing the ball. The play is to be blown dead, and the ball spotted where the jump, leap or hurdle occurred.
- G. Ball carriers may leave their feet, and the play will continue for spinning, jump cuts, QB’s passing or if there is a clear indication that he/she has done so to avoid a collision with another player. The play will continue without stoppage. However, if while leaving the ground, illegal contact is made, a penalty may be enforced by the official.
- H. No blocking or “screening” is allowed at any time.
- I. Offensive players in close proximity of the ball carrier must stop their motion once the ball has crossed the line of scrimmage. No running with the ball carrier.
- J. Flag obstruction – All jerseys MUST be tucked in before play begins. The flags must be on the player’s hips and free from obstruction. Deliberately obstructed flags will be considered flag guarding.

Part VII: Flag Football

- K. Once the ball is advanced beyond the LOS, the current ball carrier is the only player allowed to have possession of the ball until the play is dead.

S7: PASSING

- A. Only 1 forward pass, thrown from behind the line of scrimmage, is permitted each offensive play. The ball must be released prior to crossing the line of scrimmage. There can be unlimited backward passes behind the line of scrimmage.
- There is no intentional grounding. The quarterback may throw the ball anywhere across the line of scrimmage to avoid a sack.
 - All forward passes that do not cross the line of scrimmage are illegal forward passes, unless touched by a defender. All forward passes must go beyond the line of scrimmage.
- B. Shovel passes are allowed and must be a forward pass, from behind the line of scrimmage, and received beyond the line of scrimmage.
- C. The quarterback has a 7 second “pass clock.” If a pass is not thrown within 7 seconds, the play is dead, the down counts and the ball is returned to the line of scrimmage. Once the ball is handed off, pitched or lateraled behind the line of scrimmage, the 7 second rule is no longer in effect.
- If the QB is standing in the end zone at the end of the 7 second clock, the ball is returned to the line of scrimmage (LOS) and it will be the next down.
 - If the quarterback throws the ball and then catches it, the play is dead and treated like an incomplete pass.

S8: RECEIVING

- A. All players are eligible to receive passes (including the quarterback if the ball has been handed off, pitched or lateraled behind the line of scrimmage).
- B. A player must have at least one foot or other body part inbounds, contacting the ground first with possession.
- C. In the case of simultaneous possession by both an offensive and defensive player, possession is awarded to the offense.
4. Interceptions are returnable. If returned for a score during regular game play, the score will be worth six points, two points if returned during conversions and/or overtime.

S9: RUSHING THE PASSER

- A. All players who rush the passer must be a minimum of 7 yards from the line of scrimmage when the ball is snapped. Up to two

Part VII: Flag Football

(2) players can rush the quarterback. Rushers MUST identify themselves by raising their hand before the snap. Rushers MUST rush the passer immediately after the snap. Delayed rush is NOT permitted. Players not rushing the quarterback can defend the line of scrimmage.

- B. Once the ball is handed off, pitched or lateraled backwards behind the line of scrimmage, all defenders may cross the line of scrimmage to defend and pull the flag.
- C. A special marker, or the game official, will designate a rush line 7 yards from the line of scrimmage. Defensive players should verify they are in the correct position with the official on every play.

* A legal rush is:

- i. Any rush by the 1 or 2 designated rushers, 7 yards from the line of scrimmage.
- ii. A rush from anywhere on the field AFTER the ball has been handed off, pitched or thrown backwards by the player receiving the snap.

* A penalty may be called if::

- iii. The rusher leaves the rush line before the snap and crosses the line of scrimmage before a handoff, pitch, lateral or pass – Illegal rush (5-yards from the line of scrimmage and first down).
- iv. Any defensive player crosses the line of scrimmage before the ball is snapped –Encroachment (5-yards from line of scrimmage and first down).
- v. Any defensive player not lined up at the rush line crosses the line of scrimmage before the ball is passed, pitched, lateraled or handed off – Illegal rush (5-yards from the line of scrimmage and first down).
- vi. If the offense draws the identified rusher(s) across the 7-yard marker prior to the snap of the ball, the rusher(s) CANNOT legally rush. Jumping the rush is not a penalty until the rusher crosses the line of scrimmage prior to a handoff, pitch, lateral or forward pass. Teams are never required to rush the quarterback with the 7 second clock in effect.
- D. Players rushing the quarterback may attempt to block a pass; however, contact to the QB, unless ruled incidental by the official, would result in a roughing the passer penalty.
- E. The offense cannot impede the rusher's PATH to the quarterback, regardless of where they line up prior to the snap. The PATH is set pre-snap from the rusher or rushers directly to the QB. PATH does not move once the quarterback moves. If the "path or line" is occupied by a moving offensive player, then it

Part VII: Flag Football

is the offense's responsibility to avoid the rusher. Any disruption to the rusher's path and/or contact will result in an 'Impeding the Rusher' penalty. **If the offensive player does not move after the snap, then it is the rusher(s) responsibility to go around the offensive player and avoid contact.**

- F. A special marker, or the game official, will designate a rush line 7 yards from the line of scrimmage. Defensive players should verify they are in the correct position with the official on every play.
 - i. A 2-point Safety is awarded if a flag pull takes place in the offensive team's end zone.

S10: LIVE BALL/DEAD BALL

- A. The ball is live at the snap of the ball and remains live until the official whistles the ball dead.
- B. The official will indicate the neutral zone and line of scrimmage.
 - i. It is an automatic dead ball foul if any player on defense or offense enters the neutral zone. The game officials may give teams a "courtesy" neutral zone notification to allow their players to move back behind the line of scrimmage.
- C. A player who gains possession of the ball in the air is considered in bounds, as long as the first foot or body part other than the hand contacts the ground in the field, while maintaining possession.
- D. Substitutions may be made during any dead ball period.
- E. The defense may not simulate the offensive team signals by trying to confuse the offensive players, while the quarterback is calling out signals to start the play. Other unfair acts would be: not returning five (5) eligible players to the field of play after halftime, a team or officials' time out prior to the 'Ready to Play' signal by the referee. This will result in an unsportsmanlike conduct penalty on the Head Coach.
- F. Any official can whistle the play dead. Play is ruled "dead" when:
 - i. The ball hits the ground.
 - a. If the ball hits the ground as a result of a snap, backwards pitch or lateral, the ball will be placed where the ball hit the ground.
 - ii. The ball-carrier's flag is pulled.
 - iii. The ball-carrier steps out of bounds.
 - iv. A touchdown, PAT or safety is scored.
 - v. The ball-carrier's knee, shin, leg, forearm or arm hits the ground.
 - vi. The ball-carrier's flag falls out.
 - vii. The receiver catches the ball while in possession of 1 or 0 flag(s).

Part VII: Flag Football

- iv. The 7 second pass clock expires.
- v. Inadvertent whistle
- vi. Ball-carrier leaves their feet to dive, jump or hurdle a player.

(Exception: A PLAYER CAN DIVE TO CATCH A PASS OR PULL A FLAG)

NOTE: Fumbles / loss of possession: Ground contact must be made for the play to be dead at that spot. A fumble is loss of possession by a player, resulting in the ball contacting the ground.

- G. If an inadvertent whistle occurs, the team in possession has two options:
 - i. Take the ball where the whistle blew and the down will count.
 - ii. Replay the down from the original line of scrimmage.If an IW occurs on the last play of the half or game, the offense will be awarded one untimed down and given those two options.
- H. A team is allowed to use a timeout to question an official's rule interpretation. If the official's ruling is correct, the team will be charged a timeout. If the rule is interpreted incorrectly, the timeout will not be charged, and the proper ruling will be enforced.

S11: DE-FLAGGING

- A. A legal flag pull takes place when the ball-carrier is in full possession of the ball.
- B. Defenders can dive to pull flags but cannot tackle, hold or run through the ball carrier when pulling flags.
- C. It is illegal to attempt to strip or pull the ball from the ball carrier's possession at any time.
- D. If a player's flag inadvertently falls off during a play while that player has possession, the player is down immediately and the play ends. The ball is placed where the flag lands.
- E. If a player who has one or no flags on their belt takes possession of the ball, the play is dead at that spot on the field.

Part VIII: 7v7 Non Contact (NC)

ARTICLE 1: OVERVIEW

The benefits of playing 7v7 non-contact football include:

- A. Perfecting the Passing Game. Because teams cannot tackle or run the ball, QBs have the chance to work on their accuracy and timing when throwing a football.
- B. Helps You Stay in Shape. Seven on seven football is a great way for players to build up their stamina on account of all the running involved.
- C. Plenty of Repetitions. Instead of just running drills which can be monotonous, 7v7 football allows players to practice different game scenarios. This could be a great way for high school kids, or any level, to get ready for their next game.
- D. Less Chance of Injuries. By eliminating tackles, players can focus on their running and passing without having to worry about defending themselves. Some leagues require players to wear soft-shell helmets to protect themselves from head injuries, which already don't occur often because there's no tackling.
- E. Great Exposure. Although college coaches and recruiters are prohibited from actually attending 7v7 games, increasing coverage of tournaments has become available, giving football players more opportunities to showcase their skills.
- F. Defensively: Alignment and Assignment Perfect. Defensives have the ability to practice their man and zone coverages with the understanding that every down is a passing down. Resulting in advanced preparation and understanding of the game, slowing the speed of the game down which in turn will minimize injuries.
