Check list:

- Account for all personnel, evaluate well-being, and secure premises
- Close business operations or continue?
- Determine workforce for now, following day & inform staff
- What should staff say to callers, customers, family members and media?

Comfort staff:

- Assure people of their safety and what will be happening in next few hours
- Give staff time and place to relax, make phone calls, and speak with one another
- Bring in soda, pizza, and "comfort" food
- Get staffs thinking about relaxation plan before they go home
- If appropriate, assure staff they performed as expected under the circumstances.
