Discover the strength of your community with one powerful marketing program

We bring more customers to local businesses with one powerful marketing program

We automatically send campaigns that are 10x more effective

Make every customer your new regular. Deliver the perfect message at the right time that gets customers excited to come back to your business again and again.

We create a rewards program as unique as your business

Excite your customers with a customizable reward program that keeps your business top of mind. Customers can easily sign up with just a phone number!

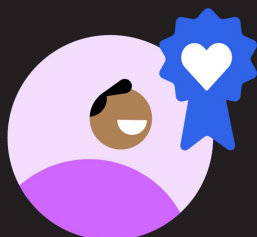

We send out promotions that turn up the foot traffic

Say goodbye to slow days. Send targeted, one-time offers to your customers at the right time, through the right channel, from anywhere you bring your phone.

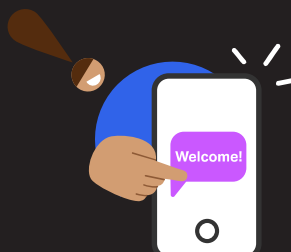

We help drive customer acquisition through marketing

Fivestars makes it easy for local businesses to get discovered by tapping into our network of 70 million customers who love local and can spread the word.
