

# Growth Package

## Add-on for Thryv Marketing Center™

Maximize your online business presence and engage with more customers.

Thryv Marketing Center Growth Package expands your reach up to five new cities, enhancing your online visibility and helping prospects discover your offerings. With performance analytics and call-tracking, you can grow your business efficiently and effectively.

### STARTER GROWTH PACKAGE

**\$300/mo**

Gain a boosted digital presence in up to five new cities, helping you reach new customers and expand your market reach.

#### Recommended for:

- ✓ Personal Services
- ✓ Wellness Services
- ✓ Education Services

### EXPANDED GROWTH PACKAGE

**\$500/mo**

Gain even more online exposure for your business listing to give you a competitive edge and drive impressions.

#### Recommended for:

- ✓ Home Services
- ✓ Medical Services
- ✓ Legal Services

## Signs that **Growth Package** is right for you:

- ✓ You want to expand your market reach to additional cities without significant financial investment.
- ✓ Your geographical reach is restricted to a local area, limiting customer attraction.
- ✓ You find it challenging to stand out online amidst larger competitors.
- ✓ Your business struggles with limited marketing budget constraints.
