PREMIUM CORNER

Browse our Premium Corner while you're in, a section dedicated to some of our more high-end and unique donations. These items are selected because they're unique, antique, or even handcrafted.

They're priced higher than our regular store items, but we wanted a section of premium finds to bring something new to the store and add to the proceeds for Arlington Urban Ministries.

We'll rotate this section as new pieces come in, and items that have been out a while will be marked down to make room for the next find, so there's always something different to see.
