1001 Emeritus (Sponsoring Rep)

15 February 2024

Dear President Parker, We letter is to seek your support for our Golf Fundraiser - Annual Fundraising Golf Tournament Challenge at the Garrison Golf Club in support of Emeritus Golf.

All proceeds from the Golf Tournament Challenge will go towards the Emeritus Golf Program. This event is expected to bring 20 to 100 golfers between corporate partners and Emeritus members and will be played on July 15th (Golfers: 10:00am) at Garrison Golf Course, 1790 Knapton, 10km west of the Emeritus Golf Club. The event will provide resources and opportunities for career saving and related activities, ECTD, veterans, for registration and facilities through the power of Golf. On behalf of the organization, I would like to request your assistance by sponsoring a hole for this event. I have spoken to most of you about my concept. I have 1000 (two golfers) sign on a hole for the 2023 Challenge on \$100.00 as a single hole (only sign on prior event). You could also secure a gift certificate from your business, please to be sponsoring event, or as seen to be notified via E. The details for sponsorship and participation will shortly be posted on our website (<https://www.emeritus.ca>) and our Facebook page.

Thank you for your consideration to help supporting Emeritus Golf support all and support serving and Veterans who have sacrificed through their service in Canada.

Claire,

P. Bouchard
