HAND & NAIL TREATMENTS

Whether you're after a quick tidy-up, a shiny shellac polish, a long-lasting builder gel, or a full set of beautifully styled extensions, my nail treatments are all about quality products and attention to detail. With over 35 years' experience and a genuine passion for nails, I'll help you find the perfect finish, whether that's natural and understated or bold and eye-catching.

BUILDER GEL

A soak-off strengthening treatment that creates a hard, durable nail similar to acrylics, but without the harsh filing to the nail bed. This advanced formula adds structure and support to weak or damaged nails, helping them to grow stronger while providing a smooth, lightweight yet incredibly resilient nail with a flawless finish.

FACIAL TREATMENTS

Step away from the stresses of everyday life and give your skin the attention it deserves. Each facial is tailored to your individual skin type and concerns, using professional-grade products to nourish, restore and revitalise.

Whether you're looking for deep hydration, collagen boosting or a results-driven tailored treatment, every facial is delivered with precision and care, with a clear focus on achieving great results.

SKINBASE MICRODERMABRASION

A Skinbase Microdermabrasion treatment is a professional, non-invasive exfoliating facial designed to resurface and rejuvenate the skin. It uses a controlled stream of fine crystals to gently remove dead skin cells, which are then vacuumed away, helping to stimulate circulation and support lymphatic drainage.

By encouraging skin renewal and collagen production over time, the treatment can leave your complexion looking brighter, smoother and more refined.

Benefits include:

- Improved skin texture and tone
- Reduced appearance of fine lines and wrinkles
- Minimised pores and congestion
- Brighter, fresher-looking skin, perfect for pre-wedding or special events
- Helps with acne scarring and pigmentation

The treatment is painless, has no downtime, and is suitable for most skin types. For best results, a course of treatments is usually recommended.

SINGLE SESSION	£45
FOUR SESSIONS*	£168
SIX SESSIONS *	£240

*all sessions must be paid for at first appointment
Full consultation will be carried out prior to your first treatment

RELAXING EXTRAS

All facials can be finished with a super hydrating jelly mask with a hand & arm massage.

SKINBASE HYDRO FACIAL

A Skinbase Hydro Facial is an advanced, non-invasive facial treatment that deeply cleanses, exfoliates, and hydrates the skin in one relaxing treatment. Using a specialised vortex-fusion technology, the Hydro Facial gently removes dead skin cells and impurities while simultaneously infusing the skin with hydrating, nutrient-rich serums. This leaves the skin instantly smoother, plumper, and more radiant.

Benefits include:

- Deep cleansing and exfoliation
- Intense hydration
- Improved skin texture and tone
- Reduced congestion and pore size
- Brighter, healthier-looking skin

The treatment is suitable for all skin types, with no downtime, making it perfect for an instant glow up.

DERMAPLANING

A dermaplaning facial is a non-invasive exfoliating treatment that leaves the skin smooth, bright and refreshed. Using a sterile surgical blade, dead skin cells and fine vellus hair (peach fuzz) are gently removed from the surface of the skin. This encourages cell renewal, improves skin texture, and allows skincare products to penetrate more effectively, creating a flawless, glowing complexion.

Benefits include:

- Instantly smoother, brighter skin
- Enhanced product absorption
- Reduced appearance of fine lines
- Makeup applies more evenly
- No downtime, suitable for most skin type
