Why are you interested in pursuing mentorship with Genevieve Hackett?

What specific areas of your life or skills do you hope to develop through this mentorship?

Describe your current experience with Tarot or psychic development. Are there any challenges you're facing or goals you're working towards?

How do you envision the mentorship sessions benefiting your personal and/or professional growth?

What qualities or attributes are you looking for in a mentor?

How committed are you to dedicating time and effort to the mentorship process?

Do you have any scheduling constraints or preferences for mentorship sessions?

Is there anything else you would like Genevieve to know about you or your goals before beginning the mentorship?

Please email your completed application to genhackettmedium@gmail.com with the subject line "Mentorship Application - [Your Name]".

I look forward to reviewing your application and discussing the possibility of embarking on this journey together.

Warmly,
Genevieve
