

October Newsletter

CLASSROOM FOCUS

Busy Bees (3 yr-5 yr):

Family history, what is Autumn/Fall and why does it get colder?, leaves, harvesting.

Chipmunks (2 yr - 3 yr):

Community helpers, night creatures, fire safety, and pumpkins!

Cubs (1 yr - 2 yr):

Parts of my body: face, hands and feet, fingers and toes, arms and legs, my senses.

Infant Age (0 - 1 yr):

My body: feet and face, hide and seek, peek-a-boo, pumpkins!

DID YOU KNOW?

ROLLIE POLLIE BUGS ARE RELATED TO SHRIMP AND BREATHE THROUGH GILLS, LIKE FISH!

What's happening the Month of October:

Fall photos are here!

October 6th: Life-touch will be here to take fall photos. The photographer starts at 8AM.

Parent Teacher Conferences

October 11th: We will be closed. Conferences will be virtual. You will receive an invite via "Sign Up Genius"

Family History Month

Wednesdays in October: October is Family History Month. For Busy Bee's show- and-tell this month we would like students to share their family history with each other. Encourage them to bring pictures of family, a family crest, family tree, or other item that conveys their ancestry.

Costume Parade

Oct 29th: Please come join us for a costume parade! Details will be provided through Brightwheel for this event.

GET CRAFTY

Let your child collect leaves outside and glue them to the top of popsicle sticks. Next add googly eyes or other crazy features to make silly or scary leaf monsters!

COVID-19 UPDATE
